# **SURFACES THAT EMPHASIZE THE BALANCE OF COMFORT AND ELEGANCE.**

An accurate selection of fine marbles that replicates to meet the aesthetic and practical needs of every interior design project: the Tiles of classical tradition have always been the protagonists of architecture in warm and cool tones, Italian marbles recognized all over the world for their purity, original colors reinterpreted and proposed in a new perspective.

Carving-effect Stoneware designed to be used on any surface: floors, walls, and architectural volumes. The 60x120cm formats with a 9 mm thickness are perfect for seamlessly cladding walls, reducing the interruptions and horizontal joints, ensuring an aesthetic continuity between the floor and the wall.
