## PERSONIFY ELEGANCE WITH WOODEN TILES

The surprising shine of the materials enhances the prestige and natural beauty of surfaces. We have created a timeless amazing collection that definitely meets contemporary design with unmatched elegance. Their colors and structures coordinate with one another spontaneously and are therefore always in harmony. The size range allows for enhancement of any space and offers the utmost design freedom for newly created modular solutions. These multi size installation patterns clad any surface with Style and class.

## REPRESENT THE SPLENDID ELEGANCE OF NATURE

One of the key advantages of wood tiles in the 600x1200mm format is the perfect fusion of natural aesthetics and modern convenience. These tiles emulate the authentic look of wood while providing the durability and easy maintenance associated with ceramic or porcelain tiles. The larger size allows for more intricate wood grain patterns and textures, enhancing the realism of the tile and creating a stunning visual impact.
