

Release of Liability

I [Print name] _____ acknowledge that

_____ has provided facilities and personnel resources to voluntarily pray for me, minister to me, and otherwise assist me in one or more forms of spiritual ministry. **I understand that this ministry is not professional counseling nor is it intended to replace professional mental health services, and those ministering to me may not be licensed counselors nor ministers.** I also understand that no counsel or teaching provided is intended, nor should be received, as overriding or changing the care I receive from a licensed professional in the ministerial, medical, or mental health field.

I fully acknowledge that I have voluntarily sought assistance of my own initiative and that I am under no obligation to accept or reject any of the advice or help that I might receive. I agree to hold _____ and anyone ministering in their behalf **free** from any and all liability, loss, or damage of any kind that may arise as a result of assistance or ministry which I have received from them.

I have read this disclaimer and release of liability. I understand and agree with it and have executed it as a free and voluntary act on my part:
