

In preparation for ministry, there are some things we ask that you do **prior** to our counsel time together.

1. Make sure that you have thoroughly read the Pre-Counseling Information("PCI") that we sent to you earlier. We will be working together as a team and it is very beneficial for you to understand the principles and terminology involved.
2. Verify that the Confidential Personal Inventory (PCI) and all follow up questions associated with it have been completed, signed where applicable, and returned to us.
3. Do a detailed and thorough inventory of your home and discard the following categories of objects that have the potential to empower demonic bondage over your life:
 - A.) Any objects or symbols related in any manner to the occult or false religions, such as:
 - Ouija board
 - Tarot cards
 - Jewelry or clothing (pentagrams, masonic ring, etc)
 - Amulets, etc
 - Carvings
 - Paintings
 - Buddhas
 - Voodoo
 - Yoga
 - Etc.
 - B.) Sensual or occultic books/ magazines/ videos
4. Read and meditate on the enclosed booklet (**Finding Acceptance From Others, From God, and From Myself**) and with a fervent and sincere heart pray the prayer at the end of the booklet out loud to the Lord.
