

HOW TO APPEAL TO A **VERY** DIFFICULT, STRONG WILLED FRAGMENT

"The reason I brought you here... is that I was sent by the Lord Jesus Christ...

to share with you a short story. I have made many sacrifices to meet you.

Please allow me to share my story with you;... then, if you wish, I will leave you...

...and you will never see me again. Would you permit me to tell you my story?

Once upon a time, there once was a young **man/lady** named [**core name**]...

...who was [**age of alter**] years old.

And **he/she** suffered a terrible, traumatic event in **his/her** life

And it gave **him/her** terrible memories and emotions of that event...

...more than **he/she** could bear.

So **he/she** decided to take all of those painful memories and emotions...

...And put them in a secret closet of **his/her** heart...

...closed the door...locked it... and threw away the key. That seemed to solve her problem.

But in that dark closet... something very strange and mysterious happened....

another young **man/lady** age [**age of alter**] was formed in the darkness...

...of that closet of [**core name**]'s heart. ...**his/her** name was [**name of fragment**]

he/she had to live in that closet... with all those painful memories & emotions.

Sometimes [**name of fragment**] would come out of the closet....

...when [**core name**] needed to give **him/her** more pain.

And then [**fragment name**] would crawl back into that dark closet.

Then one day, someone came from a faraway place... & knocked on the door of the closet,

...called out [**fragment's name**]'s name & He told [**fragment's name**] that...

if [**fragment name**] would allow Him to come into [**fragment's name**]'s heart,

...He would take upon himself the burden

of all those painful emotions & memories...that [**fragment name**] was carrying...

and [**fragment name**] would not have to carry them any longer.

He would forgive all of [**fragment name**]'s sins...

...& make [**fragment name**] part of [**core name**]'s life.

[**Fragment name**] would be free of the burden... ..and be able to come out of the closet...
and be able to laugh again...

[**Fragment name**] would be able to know what it's like...to love someone and be loved...

& He even promised [**fragment name**] a place in heaven when **he/she** died.

Now [**Fragment name**] had a dilemma.

...[**Fragment name**] had to decide whether **he/she** would believe this person...

...or just stay locked up in the closet. Can you guess how the story ended?

[**fragment name**], this is a true story...

...but the ending to my story has yet to be written.....

You see, [**fragment name**], YOU are that young **man/lady** who was formed in that closet.

The one who came to that young **man/lady** locked in that closet...

...is none other than the Lord Jesus Christ.

[**name of alter**] , today you get to decide how this story ends.

...The Lord Jesus Christ loves you ... and has sent me to offer you Himself...

...To come into your heart...to take upon Himself...

...all of the evil that has been done to you...

...To wash away all your sins...To give you laughter...

...To be able to experience the ability to love be loved.

...To be reunited with [**core name**].

All you have to do is to let me lead you in a prayer....

...& sincerely ask the Lord Jesus Christ into your heart....and he will do all of those things.

[**Fragment name**], how would you like the story to end?

Would you be willing step out in faith...and allow me to lead you in a prayer...

... asking the Lord to come into your heart...to forgive your sins...

...and be reunited with [**core name**]?

Many others like yourself have said “yes” to the Lord Jesus Christ...

...and never regretted taking the risk.

I have never met one person who ever regretted it....Would you like to do that now?”

It's now or never...it's your choice...
