Salvation Prayer

#1

I, [**Counselee's full name**], age __ , confess that Jesus Christ is the Son of God . He is the God who became flesh and dwelled among His people. He never wronged anyone but even His own people rejected Him. They stripped Him naked, beat Him with a whip, shamed Him, mocked Him, and nailed Him to a tree.

Heavenly Father, I believe that Jesus took upon himself all of my sins on the cross. Lord Jesus, it was for my sins that you died and were buried. But you were raised from the grave and now offer yourself to be my Savior, You have won the victory over the grave and death, and now offer me your robe of righteousness.

So, Lord Jesus, I, [**Counselee's full name**], age ____ do turn from all of my sins and I ask you to come into my heart and save me and forgive me. Heal me, cleanse me, and deliver me from all that I have been. And as you give me strength, I commit my life to your service.

And I thank you, Lord Jesus, that it is done and finished. Amen.

Core's Repentance Prayer

#2

Dear Lord Jesus, I **[Core's Full Name]**, age **[]**, gave my heart and my life and all that I have to you at age **[]**. And so now I belong to you, all of me. I was bought at a price, the price of the blood of the Lord Jesus Christ. For it is written:

Or do you not know that your body is the temple of the Holy Spirit who is in you, whom you have from God, and you are not your own? For you were bought at a price; therefore glorify God in your body and in your spirit, which are God's. [1 Cor. 6:19,20]

You were victorious over Satan and his demons. For it is written,

Jesus likewise shared in the partaking of flesh and blood, that through death He might destroy him who had the power of death, that is, the devil, Hebrews 2;14b

Heavenly Father, do not allow the evil one to claim power over what was bought with the price of the blood of Jesus. Cover me and protect me with the blood of your ownership of me. Surround me with a host of angels to stand guard over me as I pray:

Confession of Sins and Inherited Iniquities

Lord, you gave me my earthly parents and my heritage. You gave me all of my ancestors. And I acknowledge that I inherited the surrendered ground of my forefathers up to 3 and 4 generations and beyond.

Lord Jesus, I do ask your forgiveness for and renounce any link to the iniquities of my forefathers or any generational curses from vows or blood pacts made by my ancestors to demons that came with them, including **[list any that are known- list #2 of form FT-02(02)]** and any other sins or curses unknown to me. I dump them all on the cross and ask you to wash me clean from them, that you tear down every stronghold and restore every inch of ground surrendered to the evil one, and saturate it with the blood of the Lord Jesus Christ. And according to your promise, I receive your complete forgiveness, and I thank you for it.

Lord Jesus, I ask that you allow every hidden fragment or broken part of my soul, and any flip-side or alter ego passed down to me from my forefathers to hear my voice. I ask that they be given the freedom to come near to allow me to address them without any intimidation from the evil one. May all demons be bound with chains and gagged, and their ears plugged that occupy any ground in my hidden parts. This is what I would like to say to the hidden parts of my soul:

Core's Repentance Prayer (Continued [1])

#2

"To each of you who has remained in the shadows of my life since the day you were formed. I know many of you have known terrible memories and emotional pain... trauma,... fear... rage... ...shame... ...rejection... You have been carrying that burden because I did not take those traumatic events in my life and immediately lay them at the feet of Jesus. I want you to know that I take full responsibility for the pain you have suffered and I ask that you acknowledge all of those painful memories, and all of those painful emotions, and all of the iniquity that you acquired as a result of that, and put all of that on the cross of Jesus where it belongs. You are a part of me, and I invite you to be reunited with me that we may become one person again so that together as one, God's highest calling can be realized in my life. It will be a place of blessing and peace for all of us. This may be the best opportunity for freedom that you will ever have. Please do not turn away from it!"

Lord Jesus, the sins and those things in my life that lead to sin that I know of are on the list before You now. Some of them I did in ignorance, some in willfulness; some were beyond my control, some I inherited from my ancestors. But in either case, I acknowledge that these sins and iniquities belong to me. Lord Jesus, I lay them now at Your feet. **[list all items on negative's list- list #1 of form FT-02(01)]**

Lord Jesus, I declare before You now that I call all of these things as my sin. I repent of all of them, I reject them, I turn from them, and I ask Your complete and total forgiveness for all of them and for any unrighteousness that I either overlooked or am unaware of, including those I inherited from my ancestors, up to 3 or 4 generations.

Shared Iniquities (Soul Ties)

And Lord Jesus, immoral physical or emotional bonds I shared with others both voluntarily and against my will, may have opened doors that allowed demons to be shared with others. This would include **[Use List #6 of form FT-02(06)]** and any others that I am unaware of or forgotten. I do confess & repent & renounce all shared iniquities that opened those doors. Lord I ask that you cast out from me any demon who I have shared with others, who now has no legal right to be here, and shut those doors so they can never again be used for an ungodly purpose. **[Lord close the door of iniquity between anyone that I have had a physical relationship with outside of marriage]. [Lord, close the door of iniquity that enabled demons to be placed in my children].** Close any door of iniquity that enabled any demon to pass between me and any of my forefathers **[or between me and my spouse]**. I renounce any spirit that came into my life as a result of a soul tie and ask that you tear down every stronghold and restore every inch of my soul taken captive by them. Thank you Lord Jesus

Forgiveness

Heavenly Father, I realize my huge debt to You for all my sins and Your complete forgiveness You gave me through the suffering and death of Your Son on the cross. Therefore, by a decision of my will, I have chosen to forgive all who have harmed me or wronged me, or brought a curse upon me. [list names- list #4 of form FT-02(04)] and anyone else that I have forgotten, but who still keeps me in bondage by my unforgiveness toward them and I release them to You to do as you see fit.

Curses

Lord Jesus, I renounce all contact or association with anything occultic or satanic that brought a curse upon me, including any objects or marks on my body, and I cancel all of Satan's claims against me for these things [list any known objects or tattoos- list #5A of form FT-02(05)].

Lord Jesus, I ask your forgiveness for, and do renounce any unscriptural declarations or commitments or acts of abomination made by me that brought a curse upon myself...

[list any known inner vows- list #5B of form FT-02(05)].

[list # 5C of form FT-02(05)] (acts of abomination)

I do renounce them, ask you to forgive them, and wash me clean from them. I dump them all on the cross and according to your promise, I receive complete forgiveness, and I thank you for it. For it is written...

"Christ redeemed us from the curse of the Law, having become a curse for us..."
(Gal. 3:13)

Strongholds

And Lord Jesus, by the power of Your name and Your blood, I ask You to tear down any remaining strongholds that have gained a foothold in my life, conclusions that have violated the letter or the spirit of your Word [List any that are known- list #3 of form FT-02(03)]. I do renounce all of these strongholds. I claim back the ground that all principalities and powers and all that their network has stood on for each and every one of these iniquities. #2

They no longer have a right to be here. I ask you to saturate that ground with your blood and heal, cleanse, and totally restore it. Heal my mind, body, soul, and spirit. And in your timing, Lord Jesus, I ask you to seal off all the doors to memories and the negative effects associated with those sins in the present or in the future.

Dear Lord Jesus, to the best of my knowledge, I have now confessed all sins and iniquities in my life; I have repented of them, and committed myself to forsake them. I have asked you to tear down all strongholds, and to reclaim the ground in my soul for Your glory. I have asked you to saturate that ground with your blood, and to heal me and cleanse me. Lord Jesus, if anything was missed or forgotten, or hidden by the evil one, or any sins and iniquities were not covered by the blood of the Lord Jesus Christ, I give them all to You now, and I do now ask you to forgive me for those things, wash me clean with the your blood, tear down any remaining stronghold, reclaim all surrendered ground in my soul, and saturate it with Your precious blood.

Lord Jesus, may every demon present, in my life who now has no legal right to stay, be plucked out and bound and bloodlinked, with bloodlinks that can't be broken, to the ancestral demon of power demon who is boss over the network of demons in my life, including demon clones, demon seeds, demon produced personalities, gatekeepers or any other unclean spirit.

Lord Jesus, I now open myself to receive Your blessing in every way You want to impart it to me. Thank you Lord Jesus. Amen

Lord Jesus, I [**Core's formal name**], age ___, saved at age ___, thank You for allowing me to experience and endure all the things I've been through, and all the things I've caused others to endure, as I've had to go through all of this. I praise and thank You for it all and believe that You will work all of this together for my good and Your glory.

Lord Jesus, I want to praise and thank You that You have given us authority over all the demonic beings, and all curses that have been operating in my life, those known to me and those unknown to me, and all of the strongholds that have kept me in bondage.

To the extent that we have not already asked, I ask now that You would take all of the dregs, all of the leftovers, illnesses, actions, attitudes, anything and everything the ancestral demon tries to leave behind, and everything else that is not of You, and blood-link it all, with blood-links that cannot be broken, to the ancestral demon [**AD name**] for it's all going where he is going.

Lord Jesus, I ask that You take all the demonic-clones that were specialized, customized for future development and placed in my life, and go back as far as You need to go, all the way back to my conception, and rip them out and attach them with blood-links that cannot be broken to the ancestral demon [**AD name**]

Lord Jesus, unless You wish to teach us something, I ask that You shut down the ancestral demon's plans and attempts to leave something behind. I thank You for doing it.

#12

[Counselor:]

Lord, Jesus, I ask that you call to attention the ancestral demon boss that rules over the demon network of [full name of child, age___] and shares his/her name, or by any other name known to you, right now at this very moment.

Lord Jesus, I thank You for giving me the authority to issue commands to all demons associated in any way in the life of [full name of child], including those demons shared with other networks, all demons that may be muted and/or in hiding, or any demons that are masquerading as personalities, demon-produced personalities, demon-clones that are specialized/customized for future development, lifestyle demons, gatekeeper demons. You know who they all are, Lord, what networks they are in, and what they do.

[Counselee:]

Lord Jesus, I ask that all these demons be called in and blood-linked with bonds that cannot be broken, to the ancestral demon boss carrying the name of [full name of child] or other name known to You. Lord Jesus, I ask that this also include: [go down list of named Demons], any dregs...

...& everything that is attached, or associated with [list of known Curses]. I do renounce all oaths taken or any other pledges given that enabled any curses to be passed on to my children...

...& everything that is attached, or associated with [list of known Illnesses]...

...& everything that is attached, or associated with [list of known Iniquities]...

...& everything associated w/ soul-tie portals connected with [list known soul-ties]

Prayer of Recall of all Evil from Child (Continued)

#12

[Counselor:]

Take them all and blood-link them with blood-links that cannot be broken, to the ancestral demon carrying the name of **[full name of child]** or other name known to You.

Lord Jesus, in the life of **[full name of child]**, age __. I ask You to gather up anything and everything that has caused him/her hurts, wounds and anxieties, anything and everything that has kept this child from being all that you have created and called this child to be, anything and everything this child's father and mother have done that has hurt or wounded this child, anything and everything done to this child by anyone else that has wounded, hurt or caused anxiety in this child's life.

Also gather up any sins, trespasses, transgressions, iniquities, or strongholds hidden in the core personality, flip side, or wounded personalities of **[full name of child/age __]**. Gather it all up and attach it with blood-links that cannot be broken to the ancestral demon who carries the formal name of **[full name of child]** or other name known to You.

Heavenly Father, in the name of Your Beloved Son, our Lord and Savior, Jesus Christ, I ask that you take the Flip-Side of **[formal name of child]**, age __, and present his/her Flip-Side to the Lord Jesus and give [him/her] a new name of "healed by the mercy and grace of our Lord Jesus".

Heavenly Father, having done that, I ask you to fuse and integrate the Flip-Side with the core of **[formal name of child]**, age __, so [he/she] will no longer be a double soul, but one soul as You created [him/her].

Heavenly Father, in the name of your Beloved Son, our Lord and Savior, Jesus Christ, I ask that You take all the wounded personalities of **[full name of child, age __]** that have been created since [his/her] conception, all the way to the present and present them to Jesus. I ask you Heavenly Father to heal them and give them all new names of "healed by the mercy and grace of the Lord Jesus".

Heavenly Father, having done that, I ask You to fuse and integrate all of them and the ground which they represent with the core of **[formal name of child/age __]** so [he/she] will be complete for the first time in [his/her] life just as You created and intended [him/her] to be.

Prayer of Recall of all Evil from Child (Continued[2]) #12

[Counselor:]

Lord Jesus, I ask You to pull the ancestral demon that carries the formal name of [full name of child] or other name known to You, and everything that is attached to this child's ancestral demon and bloodlink everything to the Ancestral Demon boss [parent's full name] or other name known to you, with bloodlinks that cannot be broken, for they are all going where that ancestral demon is going. And I thank you, Lord Jesus, that it is done and finished.

Prayer to Cast out the Demon Network

#14

[If repeated, skip first paragraph]

Heavenly Father, as your child, I have done all that I know to do according to your Word. All known ground in my soul has been restored and saturated in the blood of Jesus. All strongholds have been torn down by your mighty hand. I have held nothing back from you.

Lord Jesus, I ask that you take the [ancestral/power] demon that carries the formal name of [**state formal name of boss demon**]+ any other name known by you,

and every demon blood-linked to him, and everything else blood-linked to him, including his personal network, known and unknown, spoken now or unspoken now, [all demonic powers called back from my **children** plus all of their works], including curses or any infirmities...

...take all of them and in accordance with your will, send them all to the abyss , to the lake of fire, or annihilate them with the breath of your Holy mouth. With a childlike faith, I thank you that it is done and finished. Amen.

Prayer for Testing the Spirits

#15

Dear Lord Jesus,

If the [ancestral/power] demon in charge of this network or any stray demon still remains in the life of [**Core's formal name**], I ask you to not allow him to be mute or deaf but make him come up and acknowledge his presence.

Although he can easily fool us, Lord he cannot fool you, so Jesus, if any demon is still there, we ask You to drag him up so we can do business with him. Do not allow him to prolong this by hesitating or refusing to come up.

By the authority of the name and blood of the Lord Jesus Christ, Yeshua Hamashiach, King of kings, and Lord of Lords, If [Ancestral/power] demon [**Demon's formal name**] or any other stray demon has been left behind, come up and acknowledge your presence. With the scepter of Almighty God, I command you to come up and talk to me immediately. Acknowledge your presence by answering with “yes, sir” and tell me why you are still here.

Prayer for Peace As Evidence that the Work is Done

#16

[**Counselee**]:

Lord Jesus, You have declared these words...

Peace I leave with you, My peace I give to you; not as the world gives do I give to you. Let not your heart be troubled, neither let it be afraid. (John 14:27)

Satan, the world, flesh and blood, or demons cannot counterfeit Your peace, because the peace that You give is the manifested presence of Yourself. Lord, if I am free, and all bondage has been broken, make known Your peace now in my life. But if I'm still in bondage and we've been fooled, make the demons manifest their confusion.

I praise You and thank You that You're not going to give me a little peace plus a little confusion. You will either give me Your peace, or manifest the demon's confusion. I Thank you, Lord Jesus for doing this.

[**check What the Counselee senses**]

[**Counselor**]:

Lord Jesus, fill and overflow him/her with a manifested presence of Your sweet peace. Nothing can counterfeit it. So Lord Jesus we wait on You. Lord, if we are through, if all bondage is broken in the life of [**Core's formal name**] and this core personality is free and all the curses and all of demons are gone [and his/her children are free], [and all the demons that were involved with the attacks and harassments against his/her children's physical health are gone], then we know the core only has negative-learned behavior that he/she has to deal with. So, if all the work is done, and he/she is free, I ask that you show us that it is truly done. [**pause**].....

I ask You heavenly Father to put the core in Your intensive care unit with his/her family. Please hedge [**Core's formal name**] about with the blood of your precious Son. Set an encampment of Your angels about him/her. Heavenly Father, allow nothing to get to him/her that doesn't first come through the blood of Christ, Father, for he/she needs some 'rehab' time. I ask You to just pull him/her into your lap, embrace and love him/her, and take care of him/her as he/she learns how to walk in Christ. It is in Jesus' precious Holy Name, I thank You for doing this.

Prayer of Thankfulness for Bringing Freedom #17

Lord Jesus,

I ask You to take Your powerful blood and literally saturate my being from the top of my head to the soles of my feet, every area of my life... body, soul, & spirit. Lord Jesus, bring Your Shekinah glory and light up my entire life.

Heavenly Father, I ask You to fill with Your Holy Spirit all the vacancies that have been left in my life by the absence of my flip-side, all personality fragments, and all demons, no matter where they came from that were formally in my life, I want You to fill all those vacancies in my life with Your Holy Spirit to overflowing. I praise You and thank you for it.

[Add for children under 20 that were released]

...and Heavenly Father, thank You for removing the ancestral demon and his network from each of our children. Thank You for healing them by the mercy and grace of Your precious son and my Lord, Jesus Christ. I thank You that You will seal off all the doors in their lives. Fill all the vacancies in their lives with Your Holy Spirit.

And with a childlike faith, I thank You for doing all of this.

I ask all these things in Jesus' precious name.

Amen.
