CAREER OBJECTIVES

Motivated and talented graphic design student eager to apply my creativity and design skills in a real-world setting through an internship opportunity. Seeking to gain hands-on experience in a collaborative environment where I can contribute to projects, learn from industry professionals, and further develop my abilities.

SOFTWARE

- Adobe Creative Suite (Photoshop, Illustrator, InDesign, XD, Bridge, Lightroom, Acrobat)
- Visual Studio Code
- WordPress
- Microsoft 365 (PowerPoint, Excel, Word)

PROFESSIONAL SKILLS

- Hands-on experience in graphic design work.
- Familiarity with pre-press and printing.
- Familiarity with layout design programs like Adobe Illustrator and InDesign.
- Knowledge of the ropes of HTML & CSS.
- Profound knowledge of web design principles and a good understanding of current web technologies (HTML, CSS, javascript).
- Exceptional knowledge of graphic design programs, including InDesign, Illustrator, and Photoshop.
- Sound knowledge of PowerPoint, Word, and Excel.
- Proficient in typography, color, photography, and working with grids.
- Proficient in graphic design work through work samples.
- Immense ability to work and explore design within brand guidelines.
- Extreme ability to be proactive and work independently.
- Outstanding ability to work within established design and identity guidelines.
- Remarkable ability to work on multiple projects simultaneously in a fast-paced environment with tight deadlines.

PROFICIENCY

EDUCATION

Bachelor's Degree in Graphic Design, 2025

Southern New Hampshire University,
Manchester, NH

Bachelor of Science, 2019

Excelsior University, Albany, NY

WORK EXPERIENCE

Indirect Tax Analyst, 2016 - 2022

Love's Travel Stops & Country Stores

- Timely filed and paid 26+ monthly, quarterly, and annual motor fuel excise and sales tax returns with a monthly tax liability of approximately \$10 million.
- Researched data discrepancies in tax returns and general ledgers (SAP) using Microsoft Excel.
- Trained new Tax Analysts on tax return filings and reconciling procedures.

Manager, 2011 - 2016

Leslie's Poolmart

- Generated more than \$900,000 in annual sales revenue while providing superior customer service and efficiently managing stores' daily operations.
- Performed 100+ shop bench repairs on pool cleaners, pump/motors, water valves, and filters.
- Managed and trained 4 assistant managers, 10+ sales associates, 4 service technicians, and 1 delivery driver.
- Executed other graphic design activities as directed.

Fire Controlman, E-5, 2004 - 2010

United States Navy

- Hands-on experience performing maintenance, fault-isolation, operation, and complete system repair of critical naval gun and missile weapons, radars, and computer systems.
- Kept weapons and training systems at 100% mission readiness, resulting in a successful ULTRA-C certification.
- Fault isolated and repaired BFTT and associated fiber optic communication systems and ETHERNET interfaces at 100% operational readiness during the Fleet Synthetic Training exercise, which also resulted in discovery of a fleet-wide problem on LSD class ships.
