# What we offer for our videos:

## SHORT VIDEOS

A short video that will be 2-3 minutes long and will include a small glimpse of the property, with location, surroundings including the interiors & facilities that are provided by the homestay.

## LONG VIDEOS

This will be an in depth, long video that will tell the viewers your personal story & the story of your homestay, interiors of the property, facilities, areas for sightseeing, local culture & an interview of the host and family.

The video will be uploaded on our YouTube channel - **@OTGstays** & will be integrated on your website homepage. It will also be shared with you which can be used for sharing with clients, social media, etc.
