Presented by BoldLine Entertainment, LLC

July 25-26, 2025 | The Harpeth Hotel | Franklin, Tennessee

We sincerely appreciate your time and consideration in partnering with us to bring **Focus: The Actors Conference** to fruition. We know your time and resources are valuable and our intent is to make this endeavor as mutually beneficial to our organizations as possible.

This unique, two-day, ticketed event is dedicated to engaging and educating upcoming and established TV & Film actors from across the country, right here in the Nashville area. The event will take place on the weekend of July 25, 2024, in picturesque downtown Franklin at the exquisite Harpeth Hotel. The weekend will include guest speakers and panel discussions from leaders in the film and television industries, a networking reception, a keynote address by a well-known actor, a monologue showcase, and countless opportunities for attendees to establish themselves in the competitive entertainment industry.

The intent of this conference is to create a space for actors to network with industry leaders in an engaging and encouraging environment. Our esteemed roster of speakers will include casting directors, talent agents and managers, working actors, acting coaches, screenwriters, producers, and studio representatives, to name a few. With an exclusive attendance of 200, the event promises to make a significant impact! With all sponsorship levels, we will gladly include any of your organization's collateral material and/or coupon in the attendee SWAG bag. **This is a popular event that sold out last year and we anticipate an even greater response for 2025!**

As a sponsor of this exciting event, your brand will receive prominent visibility throughout the weekend, as well as sustained recognition and exposure to our shared target audience beyond the event itself. We deeply appreciate your generous contribution.
