WHAT IS TROND MOHN GAMES?

- Trond Mohn is our regional sports biggest contributor. He has financed a lot of athletics arenas, in addition to financial support to local sport clubs and athletes.
- In 2018 Trond Mohn Games was put on for the first time – as a celebration of Trond Mohn on his 75th birthday.
- TMG is an international event and a part of World Athletics events series: WA Continental Tour Silver.
- The ranking of sport quality is high. There has been several national records set at the events. Athletes as Karsten Warholm, The Ingebrigtsen brothers, Eivind Henriksen, Hedda Hynne, to name some, has participated several times.
- The event organizers has many years of experience and are trying to give the athletes the best conditions for the competitions and produce good memories for the athletes.
- The people of Bergen loves great sporting events and the audience will cheer on the athletes.
- TMG is a priority event for the Norwegian athletic federation, and is the second biggest athletics event in Norway – after Bislet Games.

Welcome to Trond Mohn Games 2026!
