WORK EXPERIENCE

MOTION GRAPHICS DESIGNER

Ubisoft Toronto

June 2022 – Present

- Collaborated with game production teams to create dynamic motion graphics, in-game effects, and compositing for cinematics
- Brought to life static key art for in-game assets, pre-vis realization, and marketing materials
- Designed and created motion graphics effects and transitions for an in-game music video which has garnered over 8.5 million views on [YouTube](#)

VIDEO TEAM LEAD

Ubisoft Toronto

August 2021 – May 2022

- Led a team of 3 video editors and videographers
- Provided overall direction and feedback to team members to ensure timely project completions
- Mentored multiple interns, providing expertise, guidance and inspiration to aspiring motion graphics artists

VIDEO EDITOR

Ubisoft Toronto

July 2015 – July 2021

- Demonstrated a creative approach to storytelling through video
- Led and executed multi-camera interview and behind-the-scenes video shoots, ensuring brand and quality standards
- Provided motion graphics support for the marketing, cinematics, realization, and game production teams
- Recognized for consistently going above-and-beyond expectations
