

Wine name: Musa Domaine

Type of wine: Signature Red Wine

Vintage: 2022

Variety: Tempranillo 100%

Alcohol: 14,5º

DO: Ribera del Duero

Aging: 12 months French oak barrel

Tasting phases:

- Visual phase: Cherry red color, with purple iridescence, a sign of its youth and ruby reflections from its aging in the barrel.
- Nose: The primary aromas typical of the variety stand out. Blackberries and black fruits such as blueberries and gooseberries predominate. As time goes by and we allow the wine to breathe, we get delicate tertiary aromas, or aging, with slight vanilla and spicy tones such as black pepper.
- Palate: Powerful entry. It is a wine with a very good structure. Well – balanced acidity and the alcohol is well integrated supporting the olfactory phase since we once again find a flavor with a lot of fruit, characteristic of the Tempranillo variety. We find a balanced wine which does not saturate the sense of smell or taste and invites you to continue drinking.
