Who We Are?

CV. Mitra Global Agro is a proud Indonesian company dedicated to delivering high-quality natural products to meet global demand. We combine local traditions with modern innovation to produce environmentally friendly and sustainable products. Our flagship offerings include premium whole spices, carefully tailored to meet household, culinary, and industrial needs.

Sustainability is at the heart of everything we do. We are committed to providing high-quality Indonesian spices while promoting responsible sourcing and environmental stewardship.

We are ready to collaborate responsibly and deliver the best quality products for long-term sustainability. As a trusted supplier of various Indonesian natural commodities, we offer a wide range of products, including candlenuts, cloves, semi-husked coconuts, cinnamon, black pepper, white pepper and many more.

CV. MITRA GLOBAL AGRO is dedicated to: Sourcing raw materials responsibly. Minimizing environmental impact through efficient production methods. Creating economic value for local.

Our dream is to provide the finest agricultural commodities at competitive prices, sourced directly from experts in the field. We are also dedicated to promoting Indonesia's unique commodities on a global scale, ensuring they gain the recognition they deserve.

Our products have been widely accepted both domestically and internationally. With a strong distribution network, we guarantee timely delivery and uphold the highest quality standards to meet and exceed our customer's expectations.

Company Background

Mitra Global Agro is an Indonesian spice exporter committed to providing high quality products to global markets. We source directly from local farmers in Sulawesi and other regions, ensuring premium quality and competitive pricing.

Vision & Mission

Our Vision

Become a trusted partner in providing environmentally friendly services energy and quality spices, which make Indonesia proud on the global stage

Our Mission

- Providing high quality products with an environmentally friendly process,
- Introducing the uniqueness and richness of Indonesian spices to the whole world,
- Empowering local farmers and raw material producing communities through sustainable partnership, and
- Building trust by maintaining the best quality standards in every product we export.

Why Choose Us?

01

Premium Quality

We deliver 100% natural, high-grade Indonesian spices sourced directly from the best farms. Every product undergoes strict quality control to meet international standards

02

Sustainable & Ethical Sourcing

We prioritize fair trade practices by partnering with local farmers and promoting sustainable agriculture. Our commitment to eco-friendly farming ensures high-quality products while supporting rural communities

03

Reliable Supply Chain

From harvesting to global shipping, we maintain an efficient and transparent supply chain. We offer flexible packaging options, private labeling, and customized solutions tailored to your business needs

04

Competitive & Global Reach

With direct sourcing and efficient logistics, we provide high-quality spices at competitive prices. Our worldwide distribution network ensures fast, secure, and hassle-free delivery to your market
