Message from Director's Desk.....

Dear all,

I greet to all our well-wishers to presenting annual report of the year 2024 - 25. The outreach and work of NAVACHARITABLE SOCIAL HELP FOUNDATION needs further strengthen so that the challenges of development can be shared by larger number of development stake holders-both government and non-government. I call upon our long standing supporters to further strengthen NAVACHARITABLE SOCIAL HELP FOUNDATION so that we can keep the organization relevant and live to the development needs of communities across its work area. The innovative work by NAVACHARITABLE SOCIAL HELP FOUNDATION on different issues targeting approach along with building capacities of functionaries to actually make an impact on quality of life of the poorest, needs to be supported further so that it reaches a size where it influenced stakeholders to focus on the needy segments.

Institutional reforms have given a strong impetus to economic growth but it has also led to new challenges of inclusion and servicing communities left behind; the challenge of inclusive development requires efforts for convergence. In this context, NAVACHARITABLE SOCIAL HELP FOUNDATION work around health and education provides the nucleus around which we build up more effective and efficient interventions for the empowerment of excluded communities. NAVACHARITABLE SOCIAL HELP FOUNDATION completed journey of over 3 years with so many ups and downs and adverse conditions, which is still we are facing. Policy changes also affecting our working at financial and technical resources levels. But, we are very thankful to well-wishers and team of colleagues who never gone away from NAVACHARITABLE SOCIAL HELP FOUNDATION efforts.

With Best Wishes,

Sd/-

Director

Overview of Navcharitable Social Help Foundation:

Navcharitable Social Help Foundation was formed in the year 2022 by some rural background intellectuals by the aim of connecting the rural community with the main streamlining of the development and the establishment of the happy and prosperous society because they had seen the lacks and survive the rural life, how a rural talent suffer from better opportunity with lack of knowledge and resources. The organization was registered under the section 8 of the company Act 2013. Foundation is doing effort on the basis of the people participation in the rural areas of Bihar, Jharkhand and Uttar Pradesh from the last 3 years by the aim of integrated rural development have to take the long term thinking of the successive dreams with learning by doing from initial phase to up till now. In the first phase there was a help done with the developmental activity of Harvest Plus to spread the extension work in 2022 by the concern organization in the working areas. In review of the first phase it was found that there is a lack of knowledge, people organization and skilled leadership in the rural areas. So, the work was started in 2 villages Kharhatanr of Simri block and Chaki village of Chaki block of Buxar District, Bihar by the help of Volunteers in 2023 by the aim of overall rural development to reduce loop wholes. In the second review in the year 2024 it was found that there is lack of women and child participation in the organizational programs and have to pay more attention towards the women and children participation the work extension were done in 5 other villages of the Simari block. Similarly, in the year 2024 youth advocates were prepared for the youth advocacy to reducing the gaps in the government programs. There was a presence and well-structured help done by the organization on the state, national. In the present phase 2025 Foundation is doing efforts already in 50 villages in 10 blocks of Bihar, Jharkhand and Uttar Pradesh. Now we are working on Carbon Farming and natural farming with an NGO network and preparing the community as a watch dog for its effective implementation by helping the administration for its well implementation among the rural community in Bihar, Jharkhand and Uttar Pradesh of India.

Organizational Norms – the spirit of work

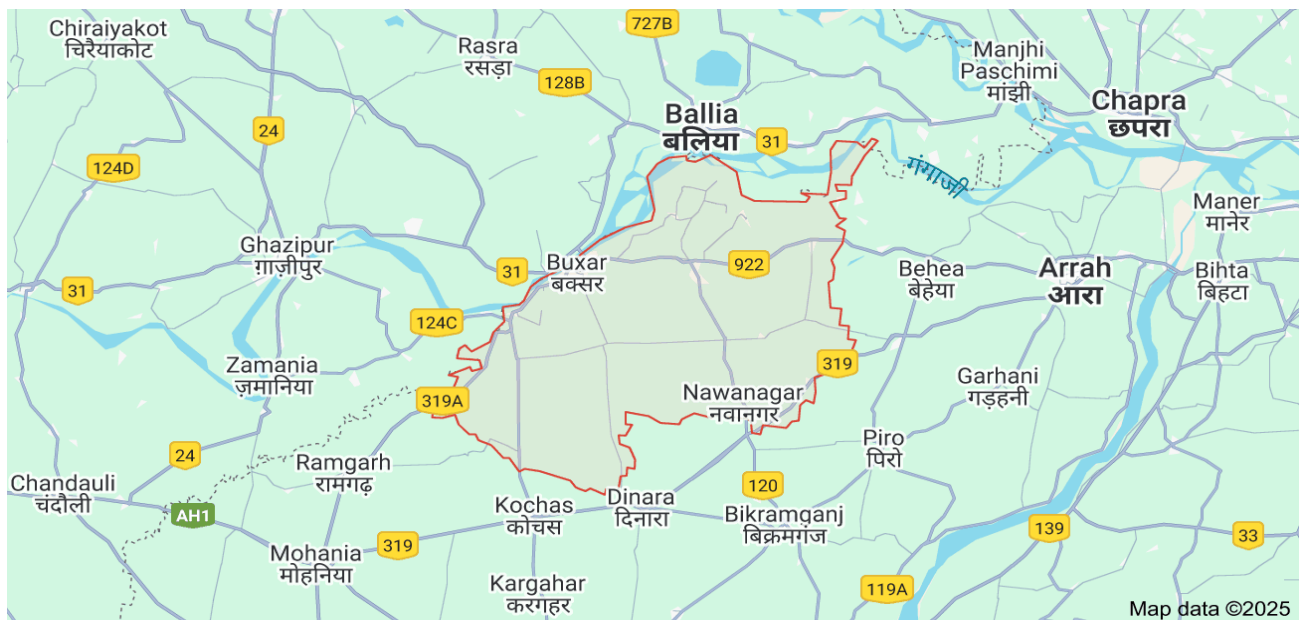

We have certain norms placed for day-to-day functioning.

- **Working Culture:** Navcharitable Social Help Foundation lay emphasis on time bound, Transparent and result oriented working culture

- **Team Work:** Navcharitable Social Help Foundation gives weight age to team work with institutional behavior and personal dignity.

Working Area of Navcharitable Social Help Foundation:

Navcharitable Social Help Foundation is currently working in 21 villages comprising 6 Blocks and 5 Districts of Bihar, Jharkhand, West Bengal and Uttar Pradesh. All the villages were divided into 2 clusters and a cluster office positioned in the village center of the cluster and from this year the concern organization has started its work in 3 villages of Sahpur Block of Bhojpur District in Bihar.

Core Program:

This is the program run by Navcharitable Social Help Foundation without any outside support. The focus is health, education and IGP through people participation. Throughout this we are targeting children, student, executive's old parents, widow and disabled of the BPL families and have implemented the Corona virus awareness campaign through the lamp enlightening by the help of the local administration and supervision of 10 Hand Wash Units. Our field staff done the work for the local Corona Vaccinations booth of the working areas in vaccination to the adage group of 18 plus years in 5 villages by the staff of the concern organization, around 20 Youth volunteers and NSHF representatives helped in the Corona vaccination and food packet distribution campaign.

Village Management Committee (VMC) Meeting:

In the whole year total 30 VMC meetings had been organized in which the committee discussed about the various issues of the villages related to the overall development of the villages. The convergence among the PRI and the villagers is come up strong through the VMC in the working areas. In the year there were 5 SHGs followed up by the Cluster In charges and strengthened the saving capacity of rural poor and marginalized community.

Community Cleanliness:

It is the program in which village volunteers clean the common meeting places, Community hall, Schools and hand pumps on the date of Village Management Committee meetings which symbolically amplifies the message for the cleanliness of their village. This encourages the people to maintain village cleanliness and improve health and hygiene among the 600 male/female villagers.

Formation of Navcharitable SHGs as a Nodal SHGs :

Initially, the people of NSHF working areas were sell their agriculture product in the local venders on the very low prices but the interference of the Foundation worker they guided and started to sell their products in the Mandi on the market rate then privet money lender prohibited them for lending. After this, there are made self – help group but they had to face loaning problem in the banks so, the networking of SHGs has been established the Navcharitable SHGs as Nodal

SHGs as a mini bank of the people. This is the main concept behind the establishment of Navcharitable SHGs.

The first step is to be member and form an SHG who selects their leaders called village leaders. The village leaders select cluster leaders and cluster leaders again select Program Management Committee (PMC) leaders and the president of PMC becomes one of the board members. PMC ensures the program implementation in the villages.

Our key Programs:

Independence Day and Republic Day Celebration:

Foundation representative celebrated Independence Day and Republic with the children of Non Formal Education Centre runs in the slums area of the villages. The Tiranga Flag hosted and remembered the sacrifice of our generation to get Independence and become republic India. After that some sweets distributed to the children and take vow to protect the country and labor hard for the future growth of the rural family.

Health Awareness Camps:

We organized 3 health camps in 4 different Villages. In this camp the Doctor tracked out 30 RTI and STI problems and 20 patients got free medicines. Target group non-school going youths were reached out with 5 different messages such as HIV/AIDS, RTI/STI, and Gender with men role,

Sex & sexuality, Changes during Adolescent age. Trainings were provided to Peer Educators and menstrual kit outlet holders also.

Vayasn/Nasa Mukti Kenda:

Navcharitable Social Help Foundation runs a Vayasan Mukti Kendra in Kharhatanr Village at Simri of Buxar district Bihar and also in the Village Mustafabad Maryadpur at Fatehpur Mandaw of the district Mau, Uttar Pradesh. In the past, The Chief Functionary of the foundation has a lot of experience along with Vayasan Mukti in the new generation. We are in planning to increase the target villages of both UP and Bihar in the next financial years so that we can build up a healthy, wealthy and wise civilization around the earth atmosphere.

SHG program:

Since the Foundation started work on SHG promotion and Development women farmers and poor families were in difficult conditions. Farmers were debt at neck and the lands and animals were in possession of Landers. Poor families were completely depended on farming. Owing to organizations efforts SHG was formed in those areas. Through SHG they started micro savings and micro credit. Gradually the poor individuals gain strength as a part of a group, reduces transaction

cost for both Lenders and borrowers, women come out towards the empowerment. Due to Navcharitable efforts 30 families are working in income generation activities.

Presently organization has 5 SHGs groups in 2 clusters, trying to avail the better economic status and income generations other than agriculture. SHG require several essential services that can be provided neither by individual SHG themselves nor are available on the market at a scale needed by the SHG. Most of these services are initially provided by the promoter organization but this is not sustainable. Neither since providing these services to the poor activity nor among the core competency of the promoter organization So there is strong need to make the Nodal SHGs for the economical strengthening and livelihood generation program.

Navcharitable is won supporting in the SHG program through training and capacity enhancement of beneficiaries to achieve the goals. BO trainings were given to enhance the capacities of SHG member so that they can put their supportive role in the development of rural society and to generate the new options for livelihood.

S.No.	Number of clusters	Total SHGs	Total members	Total savings
1	2	5	60	21600

Bal Diwas Celebration:

The concern organization has celebrated Bal Diwas so that the participation of the children will increase, think about their right and become a youth advocate of the society in the coming future. Through the youths involvement the capacity building, understanding, advocacy power will increase among them. Thus they can bring a demographic change in their lifestyle by getting the knowledge of the running schemes of the government and outside of the society.

The games like Rasa Kasi, Chair race and the Drawing competition organized by the sansthan in which the children taken part and shown his courage and geniuses.

National Environment Awareness Campaign:

Foundation organized meetings in 3 different villages, 2 rally programs in 2 different villages and community cleanliness program in 5 villages through National Environment Awareness Campaign. The total people participation 105 and 2 school and non-going school children participated in this National Environment Awareness Campaign. In this program the community done the total sanitation and cleanliness at public places like as Hand pumps, water tanks and community halls and Places.

Soil Testing Lab “Dharti Ka Doctor Kit”:

Foundation is working on the Soil Health Testing Lab through the “Dharti Ka Doctor Kit” Practices among the farmers of Buxar, Bihar. In which the farmer took the soil sample from the non-tillage land. Along with this the farmer oriented that how much chemical fertilizer or bio fertilizer are in need in deed during showing the seed cop in the season till harvesting and they became safe from miss usage of their money. So, we suggest the farmer how they reduce the unnecessary expenses and reduce the usage of chemical fertilizer and use much Organic fertilizer in the field. They should do the practices like vermin compost making and green manure making practices to maintain the soil Health Card and protect their land to become unfertile and safe for the environment. The farmers should use the Zero Tillage machine for the showing period so that the Carbon presence ratio can be in balance and no need to more plough the land repeatedly. We provoking the farmers for organic farming practices to safe the air, water and pollution for the safe of the environment.

Reducing Global Warning through the Carbon Farming Practices:

Foundation is working on the Carbon Farming and Agricultural Regenerative Practices among the farmers of Bihar, Uttar Pradesh and West Bengal. In which the farmer incorporate the crop residue in the soil after crop harvesting and no need to burnt in the field because the fertility of the soil is decreases and also the existing live **Mitra kit** of the soil are died and the land become unfertile. Along with this if Farmer burnt the crop residue directly and use much chemical fertilizer in the field the heat wave and the environmental warming is grown. So, we suggest the farmer to just reduce the chemical fertilizer and use more and more Bio fertilizer in the field. They should do the practices like vermin compost making and green manure making practices to maintain the soil Health Card and protect their land to become unfertile and safe the environment. The farmers should use the Zero Tillage machine for the sowing period so that the Carbon presence ratio can be in balance and no need to more plough the land repeatedly. Thus, The farmer are doing line sowing of Paddy crop, crop rotation practices, Drip system for irrigation, usage of Cow dung manure to getting more and more chemical less safe produces and also provoking the organic cultivation practices to safe the air, water and pollution of the environment in the area.

राजगढ़वा प्रखण्ड में स्थापित डेयरी आधारित किसान उत्पादक संगठन (एफपीओ) अहिरौलीया डेयरी फार्मर प्रोड्यूसर कंपनी लिमिटेड ने अपने सीईओ और बोर्ड निदेशकों के लिए तीन दिवसीय प्रशिक्षण कार्यक्रम का आयोजन किया, जो 26 अक्टूबर 2024 से शुरू होकर 28 अक्टूबर 2024 तक चलेगा। एनजीओ कृषक विकास समिति द्वारा स्थापित इस एफपीओ को नाबार्ड, बिहार क्षेत्रीय कार्यालय का वित्त पोषित सहयोग प्राप्त है। प्रशिक्षण का उद्देश्य एफपीओ के संचालन में शासन, व्यवसाय योजना, रिकॉर्ड प्रबंधन और दीर्घकालिक व्यावसायिक रणनीति जैसे महत्वपूर्ण पहलुओं को मजबूत करना है। यह कार्यक्रम नवचैरेटबल सोशल हेलप फाउंडेशन के सहयोग से आयोजित किया गया, जिसमें दिनेश कुमार यादव को मुख्य प्रशिक्षक के रूप में आमंत्रित किया गया। ग्रामीण प्रबंधन में एमए और एफपीओ के प्रशिक्षण में व्यापक अनुभव रखने वाले यादव ने विभिन्न क्षेत्रों में व्यावहारिक अंतर्दृष्टि प्रदान की। प्रशिक्षण की शुरुआत नाबार्ड के जिला विकास प्रबंधक आनंद अतिरेक के संबोधन से हुई, जिन्होंने पूर्वी चंपारण जिले के कृषि क्षेत्र में विकास और स्थिरता सुनिश्चित करने हेतु एफपीओ की महत्वपूर्ण भूमिका को रेखांकित किया। उन्होंने कृषक विकास समिति के प्रयासों की सराहना की और कहा, 'इस प्रशिक्षण का उद्देश्य बोर्ड सदस्यों को एक

सफल डेयरी उद्यम को संचालित करने के लिए आवश्यक शासन और व्यावसायिक कौशल से सुसज्जित करना है।' कृषक विकास समिति के अध्यक्ष उमाशंकर प्रसाद ने भी इस अवसर पर किसानों के आर्थिक आत्मनिर्भरता के लक्ष्य को लेकर अपने विचार साझा किए। पूर्वी चंपारण की ग्रामीण अव्यवस्था में एफपीओ जैसे संगठन, छोटे किसानों के लिए समुहिकता और संसाधनों के उपयोग के माध्यम से बड़े बदलाव ला रहे हैं। वे संगठन किसानों को बाजार तक पहुंच, वित्तीय सहायता और तकनीकी ज्ञान जैसे चुनौतियों का समाधान प्रदान करते हैं, जिससे उन्हें उचित मूल्य प्राप्त होता है, तैयार-देन लागत में कमी आती है, और उनकी सोदेबाजी की क्षमता बढ़ती है। एफपीओ का ध्यान एक सतत विकास मॉडल पर केंद्रित है, जो किसानों को सुरक्षित और सशक्त जीवनयापन प्रदान करने में मदद करता है। प्रशिक्षण सत्र में एफपीओ के संचालन के विभिन्न महत्वपूर्ण पहलुओं पर चर्चा की गई। शासन और प्रबंधन पर ध्यान केंद्रित करते हुए, सीईओ और बोर्ड सदस्यों को संगठनात्मक पारदर्शिता, जवाबदेही और अखंडता बनाए रखने के उपाय सिखाए गए, जो एफपीओ के भीतर आपसी विश्वास को सुदृढ़ करते हैं। साथ ही, एक सशक्त व्यवसाय योजना तैयार करने और दीर्घकालिक दृष्टिकोण विकसित करने की आवश्यकता को समझाया गया, ताकि पूर्वी चंपारण के डेयरी क्षेत्र में यह संगठन उभरती बाजार आवश्यकताओं के अनुसार अपने संचालन को विस्तार दे सके।
