

### **What is a cookie?**

A cookie is a small data file stored on your computer, tablet, or smartphone. A cookie is not a program and cannot contain harmful malware or viruses.

### **How our website uses cookies**

Our website uses cookies to perform essential functions and to improve your experience. Cookies help us understand your visit to our website, so we can continuously optimize our services to meet your needs and interests. For example, cookies remember items added to your shopping cart, whether you have visited our website before, and your preferred language and currency.

### **How long are cookies stored?**

The duration a cookie is stored on your devices and browsers varies. The lifetime is calculated based on your last visit to the website. When the cookie expires, it is automatically deleted. All our cookies' lifetimes are specified in our cookie policy.

### **How to block or delete cookies**

You can block all or just third-party cookies by changing the browser settings on your computer, tablet, or smartphone. The location of these settings depends on the browser you use. Be aware that blocking all or just third-party cookies may affect the functionality and services of our website.

[You can opt-out of cookies from Google Analytics here.](#)

### **How can you delete cookies?**

It is easy to delete cookies that you have previously accepted. The method depends on the browser (Chrome, Firefox, Safari, etc.) and device (smartphone, tablet, etc.) you are using. Typically, you can find this information under settings – Security and Privacy – but

it may vary from one browser to another. Follow the appropriate link for your device/browser:
