

Eight Days A Week

Key: G

Ooh, I need your love, babe
Guess you know it's true
Hope you need my love, babe
Just like I need you

Love you every day, girl
Always on my mind
One thing I can say, girl
Love you all the time

Hold me, love me, hold me, love me
Ain't got nothing but love, babe
Eight days a week.

Hold me, love me, hold me, love me
Ain't got nothing but love, babe
Eight days a week
Eight days a week
Eight days a week

Love you every day, girl
Always on my mind
One thing I can say, girl
Love you all the time

Hold me, love me, hold me, love me
Ain't got nothing but love, girl
Eight days a week.

Eight days a week
I love you
Eight days a week
Is not enough to show I care

Ooh, I need your love, babe
Guess you know it's true
Hope you need my love, babe
Just like I need you

Hold me, love me, hold me, love me
Ain't got nothing but love, babe
Eight days a week

Eight days a week
I love you
Eight days a week
Is not enough to show I care

Baby It's You

Key: G

Sha-la-la-la-la
Sha-la-la-la-la
Sha-la-la-la-la
Sha-la-la-la-la

It's not the way you smile that touched my heart
Sha-la-la-la-la
It's not the way you kiss that tears me apart

Whoa, many, many nights roll by
I sit alone at home and cry over you
What can I do?
I can't help myself
When, baby, it's you
Sha-la-la-la-la
Baby, it's you
Sha-la-la-la-la
Sha-la-la-la-la

You should hear what they say about you (cheat, cheat)
Sha-la-la-la-la
They say, they say you never, never, never been true (cheat, cheat)

Whoa, doesn't matter what they say
I know I'm gonna love you any old way
What can I do when it's true?
I don't want nobody, nobody, no
Baby, it's you
Sha-la-la-la-la
Baby, it's you
Sha-la-la-la-la

solo

Whoa, many, many nights roll by
I sit alone at home and cry over you
What can I do?
I can't help myself
'Cause, baby, it's you
Sha-la-la-la-la
Baby, it's you
Sha-la-la-la-la
Don't leave me alone
Sha-la-la-la-la
Come on home
Sha-la-la-la-la

I Call Your Name

Key: D

I call your name
But you're not there
Was I to blame
For being unfair?
Oh, I can't sleep at night
Since you've been gone
I never weep at night
I can't go on

Don't you know I can't take it?
I don't know who can
I'm not gonna make it
I'm not that kind of man

Oh, I can't sleep at night
But just the same
I never weep at night
I Call Your Name

Don't you know I can't take it?
I don't know who can
I'm not gonna make it
I'm not that kind of man

Oh, I can't sleep at night
But just the same
I never weep at night
I call your name
I call your name
I call your name
Whoo!
I call your name

Baby You're A Rich Man

Key: F

(C)How does it feel to be
(F)One of the beautiful people?
Now that you know who you are.
What do you want to be?
And have you travelled very far?
Far as the eyes can see

How does it feel to be
One of the beautiful people?
How often have you been there?
Often enough to know
What did you see when you were there?
Nothing that doesn't show

Baby you're a rich man
Baby you're a rich man
Baby you're a rich man too

You keep all your money in a big brown bag inside a zoo
What a thing to do
Baby you're a rich man
Baby you're a rich man
Baby you're a rich man too

How does it feel to be
One of the beautiful people?
Tuned to a natural E
Happy to be that way
Now that you've found another key
What are you going to play?

Baby you're a rich man
Baby you're a rich man
Baby you're a rich man too

You keep all your money in a big brown bag inside a zoo
What a thing to do
Baby, baby you're a rich man
Baby you're a rich man
Baby you're a rich man too
Baby you're a rich man
Baby you're a rich man

Got To Get You Into My Life

Key: G

I was alone, I took a ride
I didn't know what I would find there
Another road where maybe I could see another kind of mind there

Ooh, then I suddenly see you
Ooh, did I tell you I need you
Every single day of my life

You didn't run, you didn't lie
You knew I wanted just to hold you
And had you gone you knew in time we'd meet again
For I had told you

Ooh, you were meant to be near me
Ooh, and I want you to hear me
Say we'll be together every day

Got to get you into my life

What can I do, what can I be
When I'm with you I want to stay there
If I'm true I'll never leave
And if I do I know the way there

Ooh, then I suddenly see you
Ooh, did I tell you I need you
Every single day of my life

Got to get you into my life
Got to get you into my life

I was alone, I took a ride
I didn't know what I would find there
Another road where maybe I could see another kind of mind there

Then suddenly I see you
Did I tell you I need you
Every single day?

I Don't Want To Spoil The Party

Key: G

I don't want to spoil the party so I'll go
I would hate my disappointment to show
There's nothing for me here so I will disappear
If she turns up while I'm gone please let me know

I've had a drink or two and I don't care
There's no fun in what I do if she's not there
I wonder what went wrong I've waited far too long
I think I'll take a walk and look for her

Though tonight she's made me sad
I still love her
If I find her I'll be glad
I still love her

I don't want to spoil the party so I'll go
I would hate my disappointment to show
There's nothing for me here so I will disappear
If she turns up while I'm gone please let me know

Though tonight she's made me sad
I still love her
If I find her I'll be glad
I still love her

Though I've had a drink or two and I don't care
There's no fun in what I do if she's not there
I wonder what went wrong I've waited far too long
I think I'll take a walk and look for her

If I Fell

Key: C

If I fell in love with you
Would you promise to be true
And help me
Understand
'Cause I've been in love before
And I found that love was more
Than just
Holding hands

If I give my heart
To you
I must be sure
From the very start
That you
Would love me more than her

If I trust in you
Oh please
Don't run and hide
If I love you too
Oh please
Don't hurt my pride like her

'Cause I couldn't stand the pain
And I
Would be sad
If our new love was in vain

So I hope you see
That I
Would love to love you
And that she
Will cry
When she learns we are two

'Cause I couldn't stand the pain
And I
Would be sad
If our new love was in vain

So I hope you see
That I
Would love to love you
And that she will cry
When she learns we are two

If I fell in love with you

I'll Get You

Key: D

Oh yeah, oh yeah
Oh yeah, oh yeah

Imagine I'm in love with you
It's easy cos I know
I've imagined I'm in love with you
Many, many, many times before

It's not like me to (Am) pretend
But I'll get you, I'll get you in the end
Yes I will, I'll get you in the end
Oh yeah, oh yeah

I think about you night and day
I need you and it's true
When I think about you, I can say
I'm never, never, never, never blue

So I'm telling you, my friend
That I'll get you, I'll get you in the end
Yes I will, I'll get you in the end
Oh yeah, oh yeah

Well, there's gonna be a time
When I'm gonna change/make your mind
So you might as well resign yourself to me
Oh yeah

Imagine I'm in love with you
It's easy cos I know
I've imagined I'm in love with you
Many, many, many times before

It's not like me to pretend
But I'll get you, I'll get you in the end
Yes I will, I'll get you in the end
Oh yeah, oh yeah
Oh yeah, oh yeah
Whoa yeah

I'll Cry Instead

I've got every reason on Earth to be mad
'Cause I've just lost the only girl I had
If I could get my way
I'd get myself locked up today
But I can't so I cry instead

I've got a chip on my shoulder that's bigger than my feet
I can't talk to people that I meet
If I could see you now
I'd try to make you sad somehow
But I can't so I cry instead

Don't want to cry when there's people there
I get shy when they start to stare
I'm gonna hide myself away, ay
But I'll come back again someday

And when I do, you'd better hide all the girls
I'm gonna break their hearts all 'round the world
Yes, I'm gonna break 'em in two
And show you what your loving man can do
Until then, I'll cry instead

Don't want to cry when there's people there
I get shy when they start to stare
I'm gonna hide myself away, ay
But I'll come back again someday

And when I do you'd better hide all the girls
'Cause I'm gonna break their hearts all 'round the world
Yes, I'm gonna break 'em in two
And show you what your loving man can do
Until then, I'll cry instead

Fool On The Hill

Key: C

Day after day, alone on a hill
The man with the foolish grin is keeping perfectly still
But nobody wants to know him
They can see that he's just a fool
And he never gives an answer

But the fool on the hill
Sees the sun going down
And the eyes in his head
See the world spinning 'round

Well on the way, head in a cloud
The man of a thousand voices talking perfectly loud
But nobody ever hears him
Or the sound he appears to make
And he never seems to notice

But the fool on the hill
Sees the sun going down
And the eyes in his head
See the world spinning 'round

And nobody seems to like him
They can tell what he wants to do
And he never shows his feelings

But the fool on the hill
Sees the sun going down
And the eyes in his head
See the world spinning 'round

He never listens to them
He knows that they're the fools
They don't like him

The fool on the hill
Sees the sun going down
And the eyes in his head
See the world spinning 'round

Girl

Key: Am

Is there anybody going to listen to my story
All about the girl who came to stay?
She's the kind of girl you want so much it makes you sorry
Still, you don't regret a single day

Ah, girl, girl, girl

When I think of all the times I tried so hard to leave her
She will turn to me and start to cry
And she promises the earth to me and I believe her
After all this time I don't know why

Ah, girl, girl, girl

She's the kind of girl who puts you down
When friends are there,
You feel a fool
When you say she's looking good
She acts as if it's understood.
She's cool, ooh, ooh, ooh

Ah, girl, girl, girl

Was she told when she was young that pain would lead to pleasure?
Did she understand it when they said
That a man must break his back to earn his day of leisure?
Will she still believe it when he's dead?

Ah, girl, girl, girl

You've Got To Hide Your Love Away Faster

Key: G

Here I stand head in hand
Turn my face to the wall
If she's gone I can't go on
Feeling two-foot small

Everywhere people stare
Each and every day
I can see them laugh at me
And I hear them say

Hey you've got to hide your love away
Hey you've got to hide your love away

How can I even try
I can never win
Hearing them, seeing them
In the state I'm in

How could she say to me
Love will find a way
Gather round all you clowns
Let me hear you say

Hey you've got to hide your love away
Hey you've got to hide your love away

Every Little Thing

Key: G

When I'm walking beside her
People tell me I'm lucky
Yes, I know I'm a lucky guy
I remember the first time
I was lonely without her
Can't stop thinking about her now

Every little thing she does
She does for me, yeah
And you know the things she does
She does for me, ooh

When I'm with her I'm happy
Just to know that she loves me
Yes, I know that she loves me now
There is one thing I'm sure of
I will love her forever
For I know love will never die

Every little thing she does
She does for me, yeah
And you know the things she does
She does for me, ooh

Every little thing she does
She does for me, yeah
And you know the things she does
She does for me, ooh
Every little thing
Every little thing

Michelle

Key: G

Michelle, ma belle
These are words that go together well
My Michelle

Michelle, ma belle
Sont des mots qui vont très bien ensemble
Très bien ensemble

I love you, I love you, I love you
That's all I want to say
Until I find a way
I will say the only words I know that
You'll understand

Michelle, ma belle
Sont des mots qui vont très bien ensemble
Très bien ensemble

I need to, I need to, I need to
I need to make you see
Oh, what you mean to me
Until I do I'm hoping you will
Know what I mean

I love you

I want you, I want you, I want you
I think you know by now
I'll get to you somehow
Until I do I'm telling you so
You'll understand

Michelle, ma belle
Sont des mots qui vont très bien ensemble
Très bien ensemble

And I will say the only words I know
That you'll understand, my Michelle

Norwegian Wood

Key: E

I once had a girl
Or should I say
She once had me

She showed me her room
Isn't it good
Norwegian wood

She asked me to stay
And she told me to sit anywhere
So I looked around
And I noticed there wasn't a chair

I sat on a rug
Biding my time
Drinking her wine

We talked until two
And then she said
"It's time for bed"

solo

She told me she worked in the morning
And started to laugh
I told her I didn't
And crawled off to sleep in the bath

And when I awoke
I was alone
This bird had flown

So I lit a fire
Isn't it good
Norwegian wood

I've Just Seen A Face

Key: G

I've just seen a face
I can't forget the time or place
Where we just met
She's just the girl for me
And I want all the world to see
We've met, mmm-mmm-mmm-m'mmm-mmm

Had it been another day
I might have looked the other way
And I'd have never been aware
But as it is I'll dream of her
Tonight, di-di-di-di'n'di

Falling, yes I am falling
And she keeps calling
Me back again

I have never known
The like of this, I've been alone
And I have missed things
And kept out of sight
But other girls were never quite
Like this, da-da-n'da-da'n'da

Falling, yes I am falling
And she keeps calling
Me back again

solo

Falling, yes I am falling
And she keeps calling
Me back again

I've just seen a face
I can't forget the time or place
Where we just met
She's just the girl for me
And I want all the world to see
We've met, mmm-mmm-mmm-da-da-da

Falling, yes I am falling
And she keeps calling
Me back again
Falling, yes I am falling
And she keeps calling
Me back again
Oh, falling, yes I am falling
And she keeps calling
Me back again

Key: G

Can't buy me love, love
Can't buy me love

Can't buy me love, love
Can't buy me love, oh

I'll buy you a diamond ring my friend
If it makes you feel alright
I'll get you anything my friend
If it makes you feel alright
'Cause I don't care too much for money
Money can't buy me love

I'll give you all I've got to give
If you say you love me too
I may not have a lot to give
But what I've got I'll give to you
I don't care too much for money
Money can't buy me love

Can't buy me love, everybody tells me so
Can't buy me love, no, no, no, no

Say you don't need no diamond rings

Tell me that you want the kind of things
That money just can't buy
I don't care too much for money
Money can't buy me love

Money can't buy me love

Run For Your Life

Key: C

Well, I'd rather see you dread, little girl
Than to be with another man
You better keep your head, little girl

Catch you with another man
That's the end, ah, little girl

Tell Me What You See

Key: G

If you let me take your heart I will prove to you
We will never be apart if I'm part of you
Open up your eyes now, tell me what you see
It is no surprise now, what you see is me

Big and black the clouds may be, time will pass away
If you put your trust in me I'll make bright your day
Look into these eyes now, tell me what you see
Don't you realise now, what you see is me
Tell me what you see

Listen to me one more time, how can I get through?
Can't you try to see that I'm trying to get to you?

What You're Doing

Key: G

2x

Look what you're doing, I'm feeling blue and lonely
Would it be too much to ask of you
What you're doing to me?

You got me running and there's no fun in it
Why should it be so much to ask of you
What you're doing to me?

I've been waiting here for you
Wond'ring what you're gonna do
And should you need a love that's true
It's me

Please stop your lying, you've got me crying, girl
Why should it be so much to ask of you
What you're doing to me?

Solo

I've been waiting here for you
Wond'ring what you're gonna do

You Won't See Me

Key: G

When I call you up
Your line's engaged
I have had enough
So act your age
We have lost the time
That was so hard to find
And I will lose my mind
If you won't see me (You won't see me)
You won't see me (You won't see me)

Though the days are few
They're filled with tears
And since I lost you
It feels like years
Yes, it seems so long
Girl, since you've been gone
And I just can't go on
If you won't see me (You won't see me)
You won't see me (You won't see me)

I don't know why you
Should want to hide
But I can't get through
My hands are tied
I won't want to stay
I don't have much to say
But I can turn away
And you won't see me (You won't see me)
You won't see me (You won't see me)

Time after time
You refuse to even listen
I wouldn't mind
If I knew what I was missing

Though the days are few
They're filled with tears
And since I lost you
It feels like years
Yes, it seems so long
Girl, since you've been gone
And I just can't go on
If you won't see me (You won't see me)
You won't see me (You won't see me)

Time after time
You refuse to even listen
I wouldn't mind
If I knew what I was missing

Yellow Submarine

Key: G

In the town where I was born
Lived a man who sailed to sea
And he told us of his life
In the land of submarines

So we sailed up to the sun
'Til we found the sea of green
And we lived beneath the waves
In our yellow submarine

We all live in a yellow submarine
Yellow submarine, yellow submarine
We all live in a yellow submarine
Yellow submarine, yellow submarine

And our friends are all aboard
Many more of them live next door
And the band begins to play

We all live in a yellow submarine
Yellow submarine, yellow submarine
We all live in a yellow submarine
Yellow submarine, yellow submarine

Full speed ahead, Mr. Boatswain, full speed ahead!
Full speed it is, Sergeant!
Cut the cable, drop the cable!
Aye-aye, sir, aye-aye!
Captain, Captain!

As we live a life of ease (a life of ease)
Everyone of us (everyone of us) has all we need (has all we need)
Sky of blue (sky of blue) and sea of green (sea of green)
In our yellow (in our yellow) submarine (submarine, ah-ha)

We all live in a yellow submarine
Yellow submarine, yellow submarine
We all live in a yellow submarine
Yellow submarine, yellow submarine

We all live in a yellow submarine
Yellow submarine, yellow submarine
We all live in a yellow submarine
Yellow submarine, yellow submarine

You Can't Do That

Key: G

I got something to say that might cause you pain
If I catch you talking to that boy again
I'm gonna let you down
And leave you flat
Because I told you before, oh
You can't do that

Well, it's the second time I've caught you talking to him
Do I have to tell you one more time, I think it's a sin
I think I'll let you down (Let you down)
Leave you flat (Gonna let you down and leave you flat)
Because I've told you before, oh
You can't do that

Everybody's green
Cos I'm the one who won your love
But if they'd seen
You're talking that way they'd laugh in my face

So please listen to me, if you wanna stay mine
I can't help my feelings, I'll go out of my mind
I'm gonna let you down (Let you down)
And leave you flat (Gonna let you down and leave you flat)
Because I've told you before, oh
You can't do that, oh

(You can't do that
You can't do that
You can't do that
You can't do that
You can't do that)

Everybody's green
Cos I'm the one who won your love
But if they'd seen
You're talking that way they'd laugh in my face

So please listen to me, if you wanna stay mine
I can't help my feelings, I'll go out of my mind
I'm gonna let you down (Let you down)
And leave you flat (Gonna let you down and leave you flat)
Because I've told you before, oh
You can't do that

She Loves You (Ed #3, Top 5-#3)

Key: G

She loves you, yeah, yeah, yeah
She loves you, yeah, yeah, yeah
She loves you, yeah, yeah, yeah, yeah

You think you lost your love
Well, I saw her yesterday
It's you she's thinking of
And she told me what to say

She says she loves you
And you know that can't be bad
Yes, she loves you
And you know you should be glad

She said you hurt her so
She almost lost her mind
But now she says she knows
You're not the hurting kind

She says she loves you
And you know that can't be bad
Yes, she loves you
And you know you should be glad, ooh

She loves you, yeah, yeah, yeah
She loves you, yeah, yeah, yeah
And with a love like that
You know you should be glad

You know it's up to you
I think it's only fair
Pride can hurt you too
Apologize to her

Because she loves you
And you know that can't be bad
Yes, she loves you
And you know you should be glad, ooh

She loves you, yeah, yeah, yeah
She loves you, yeah, yeah, yeah
With a love like that
You know you should be glad
With a love like that
You know you should be glad
With a love like that
You know you should be glad
Yeah, yeah, yeah
Yeah, yeah, yeah, yeah

All You Need Is Love

Key: G

Love, love, love
Love, love, love
Love, love, love

There's nothing you can do that can't be done
Nothing you can sing that can't be sung
Nothing you can say but you can learn how to play the game
It's easy

Nothing you can make that can't be made
No one you can save that can't be saved
Nothing you can do but you can learn how to be you in time
It's easy

All you need is love
All you need is love
All you need is love, love
Love is all you need

solo

All you need is love
All you need is love
All you need is love, love
Love is all you need

Nothing you can know that isn't known
Nothing you can see that isn't shown
Nowhere you can be that isn't where you're meant to be
It's easy

All you need is love
All you need is love
All you need is love, love
Love is all you need

All you need is love (All together, now!)
All you need is love (Everybody!)
All you need is love, love
Love is all you need
Love is all you need (Love is all you need)
Love is all you need (Love is all you need)
