Yellow Submarine

Key: G

In the town where I was born
Lived a man who sailed to sea
And he told us of his life
In the land of submarines

So we sailed up to the sun
'Til we found the sea of green
And we lived beneath the waves
In our yellow submarine

We all live in a yellow submarine
Yellow submarine, yellow submarine
We all live in a yellow submarine
Yellow submarine, yellow submarine

And our friends are all aboard
Many more of them live next door
And the band begins to play

We all live in a yellow submarine
Yellow submarine, yellow submarine
We all live in a yellow submarine
Yellow submarine, yellow submarine

Full speed ahead, Mr. Boatswain, full speed ahead!
Full speed it is, Sergeant!
Cut the cable, drop the cable!
Aye-aye, sir, aye-aye!
Captain, Captain!

As we live a life of ease (a life of ease)
Everyone of us (everyone of us) has all we need (has all we need)
Sky of blue (sky of blue) and sea of green (sea of green)
In our yellow (in our yellow) submarine (submarine, ah-ha)

We all live in a yellow submarine
Yellow submarine, yellow submarine
We all live in a yellow submarine

She Loves You (Ed #3, Top 5-#3)

Key: G

She loves you, yeah, yeah, yeah
She loves you, yeah, yeah, yeah
She loves you, yeah, yeah, yeah, yeah

You think you lost your love
Well, I saw her yesterday
It's you she's thinking of
And she told me what to say

She says she loves you
And you know that can't be bad
Yes, she loves you
And you know you should be glad

She said you hurt her so
She almost lost her mind
But now she says she knows
You're not the hurting kind

She says she loves you
And you know that can't be bad
Yes, she loves you
And you know you should be glad, ooh

She loves you, yeah, yeah, yeah
She loves you, yeah, yeah, yeah
And with a love like that
You know you should be glad

You know it's up to you
I think it's only fair
Pride can hurt you too
Apologize to her

Because she loves you
And you know that can't be bad
Yes, she loves you
And you know you should be glad, ooh

She loves you, yeah, yeah, yeah
She loves you, yeah, yeah, yeah
With a love like that
You know you should be glad
With a love like that
You know you should be glad
With a love like that
You know you should be glad
Yeah, yeah, yeah
Yeah, yeah, yeah, yeah

Rocky Raccoon Capo 2nd

Key: A

Now somewhere in the Black Mountain Hills of Dakota
There lived a young boy named Rocky Raccoon
And one day his woman ran off with another guy
Hit young Rocky in the eye Rocky didn't like that
He said "I'm gonna get that boy"
So one day he walked into town
Booked himself a room in the local saloon

Rocky Raccoon checked into his room
Only to find Gideon's Bible
Rocky had come, equipped with a gun
To shoot off the legs of his rival

His rival, it seems, had broken his dreams
By stealing the girl of his fancy
Her name was Magill, and she called herself Lil
But everyone knew her as Nancy

Now she and her man, who called himself Dan
Were in the next room at the hoedown
Rocky burst in, and grinning a grin
He said, "Danny boy, this is a showdown"

But Daniel was hot, he drew first and shot
And Rocky collapsed in the corner, ah

Now, the doctor came in, stinking of gin
And proceeded to lie on the table
He said, "Rocky, you met your match"
And Rocky said, "Doc, it's only a scratch
And I'll be better, I'll be better, Doc, as soon as I am able"

And now Rocky Raccoon, he fell back in his room
Only to find Gideon's Bible
Gideon checked out and he left it no doubt
To help with good Rocky's revival, ah
Oh yeah, yeah

Dear Prudence

Key: D

Dear Prudence, won't you come out to play?
Dear Prudence, greet the brand new day
The sun is up, the sky is blue
It's beautiful and so are you
Dear Prudence, won't you come out to play?

Dear Prudence, open up your eyes
Dear Prudence, see the sunny skies
The wind is low, the birds will sing
That you are part of everything
Dear Prudence, won't you open up your eyes?

Look around round
Look around round round
Look around

Dear Prudence, let me see you smile
Dear Prudence, like a little child
The clouds will be a daisy chain
So let me see you smile again
Dear Prudence, won't you let me see you smile?

Dear Prudence, won't you come out to play?
Dear Prudence, greet the brand new day
The sun is up, the sky is blue
It's beautiful and so are you
Dear Prudence, won't you come out to play?

Blackbird

Key: G

Blackbird singing in the dead of night
Take these broken wings and learn to fly
All your life
You were only waiting for this moment to arise

Blackbird singing in the dead of night
Take these sunken eyes and learn to see
All your life
You were only waiting for this moment to be free

Blackbird fly, blackbird fly
Into the light of the dark black night

Blackbird fly, blackbird fly
Into the light of the dark black night

Blackbird singing in the dead of night
Take these broken wings and learn to fly
All your life
You were only waiting for this moment to arise
You were only waiting for this moment to arise
You were only waiting for this moment to arise

Julia Capo 2nd

Key: D

Half of what I say is meaningless
But I say it just to reach you, Julia

Julia, Julia, oceanchild, calls me
So I sing a song of love, Julia

Julia, seashell eyes, windy smile, calls me
So I sing a song of love, Julia

Her hair of floating sky is shimmering, glimmering
In the sun

Julia, Julia, morning moon, touch me
So I sing a song of love, Julia

When I cannot sing my heart
I can only speak my mind, Julia

Julia, sleeping sand, silent cloud, touch me
So I sing a song of love, Julia

Hum hum hum hum... calls me
So I sing a song of love for Julia, Julia, Julia

I Will

Key: C

Who knows how long I've loved you
You know I love you still
Will I wait a lonely lifetime
If you want me to, I will

For if I ever saw you
I didn't catch your name
But it never really mattered
I will always feel the same

Love you forever and forever
Love you with all my heart
Love you whenever we're together
Love you when we're apart

And when at last I find you
Your song will fill the air
Sing it loud so I can hear you
Make it easy to be near you
For the things you do endear you to me
Oh, you know I will
I will

While My Guitar Gently Weeps capo 3rd

Key: Gm

I look at you all, see the love there that's sleeping
While my guitar gently weeps
I look at the floor and I see it needs sweeping
Still my guitar gently weeps

I don't know why nobody told you
How to unfold your love
I don't know how someone controlled you
They bought and sold you

I look at the world and I notice it's turning
While my guitar gently weeps
With every mistake we must surely be learning
Still my guitar gently weeps

Well...

I don't know how you were diverted
You were perverted too
I don't know how you were inverted
No one alerted you

I look at you all, see the love there that's sleeping

LOVE version

I look from the wings at the play you are staging.
While my guitar gently weeps
Look at you all

LOVE version

As I'm sitting here doing nothing but aging
Still my guitar gently weeps

Oh, oh
Oh, oh, oh, oh, oh, oh, oh
Oh, oh, oh, oh

Yeah, yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah, oh, ooh

Cooking breakfast for the queen
The queen was in the parlour
Playing piano for the children of the king

Cry baby cry
Make your mother sigh
She's old enough to know better
So cry baby cry

Picking flowers for a friend who came to play
The queen was in the playroom
Painting pictures for the childrens holiday

She's old enough to know better
So cry baby cry

The duchess of Kircaldy always smiling
And arriving late for tea
The duke was having problems
With a message at the local bird and bee

She's old enough to know better
So cry baby cry

For a seance in the dark

Key: G

Can't buy me love, love
Can't buy me love

Can't buy me love, love
Can't buy me love, oh

I'll buy you a diamond ring my friend
If it makes you feel alright
I'll get you anything my friend
If it makes you feel alright
'Cause I don't care too much for money
Money can't buy me love

I'll give you all I've got to give
If you say you love me too
I may not have a lot to give
But what I've got I'll give to you
I don't care too much for money
Money can't buy me love

Can't buy me love, everybody tells me so
Can't buy me love, no, no, no, no

Getting Better

Key: Bb

It's getting better all the time

I used to get mad at my school (Now I can't complain)
The teachers who taught me weren't cool (Now I can't complain)
Holding me down
Turning me 'round
Filling me up with your rules

I've got to admit it's getting better (Better)
A little better all the time (It can't get no worse)
I have to admit it's getting better (Better)
It's getting better, since you've been mine

I used to be angry a man
Me hiding me head in the sand
You gave me the word, I finally heard
I'm doing the best that I can

I've got to admit it's getting better (Better)
A little better all the time (It can't get no worse)
I have to admit it's getting better (Better)
It's getting better, since you've been mine

And I'm doing the best that I can

I admit it's getting better (Better)
A little better all the time (It can't get no worse)

If I Needed Someone

Key: A

If I needed someone to love
You're the one that I'd be thinking of
If I needed someone

If I had some more time to spend
Then I guess I'd be with you my friend
If I needed someone

Had you come some other day
Then it might not have been like this
But you see now I'm too much in love

Carve your number on my wall
And maybe you will get a call from me
If I needed someone
Ah, ah, ah, ah

If I had some more time to spend
Then I guess I'd be with you my friend
If I needed someone

Had you come some other day
Then it might not have been like this

In my Life

Key: G

(G) There are (D) places I'll (Em) remember (G7)
All my (C) life (Cm) though some have changed
Some forever not for better
Some have gone and some remain

(Em) All these places had their (C) moments
With (F) lovers and friends I still can (G) recall
(Em) Some are dead and some are (A) living
In my (Cm) life I've loved them (G) all

But of all these friends and lovers
There is no one compares with you

Though I know I'll never lose affection
For people and things that went before
I know I'll often stop and think about them
In my life I love you more

I'll Cry Instead

Key: G

I've got every reason on Earth to be mad
'Cause I've just lost the only girl I had
If I could get my way
I'd get myself locked up today
But I can't so I cry instead

I've got a chip on my shoulder that's bigger than my feet
I can't talk to people that I meet
If I could see you now
I'd try to make you sad somehow
But I can't so I cry instead

Don't want to cry when there's people there
I get shy when they start to stare
I'm gonna hide myself away, ay
But I'll come back again someday

And when I do, you'd better hide all the girls
I'm gonna break their hearts all 'round the world
Yes, I'm gonna break 'em in two
And show you what your loving man can do
Until then, I'll cry instead

Don't want to cry when there's people there
I get shy when they start to stare
I'm gonna hide myself away, ay
But I'll come back again someday

And when I do you'd better hide all the girls
'Cause I'm gonna break their hearts all 'round the world

Is leaving (Sacrificed most of our lives)
Home (We gave her everything money could buy)
(C#m) She's leaving home after (F#7) living alone
For so (C#m) many years (F#7) (Bye bye)

Father snores as his wife gets into her dressing gown

Why would she treat us so thoughtlessly?
How could she do this to me?"

When I'm 64

Key: C

When I get older losing my hair
Many years from now
Will you still be sending me a Valentine
Birthday greetings, bottle of wine?
If I'd been out 'til quarter to three
Would you lock the door?
chorus

Will you still need me, will you still feed me
When I'm sixty-four?
bridge

You'll be older too
And if you say the word
I could stay with you
verse

I could be handy, mending a fuse
When your lights have gone
You can knit a sweater by the fireside
Sunday mornings go for a ride
Doing the garden, digging the weeds
Who could ask for more?
chorus

Will you still need me, will you still feed me
When I'm sixty-four?
bridge

Every summer we can rent a cottage in the Isle of Wight, if it's not too dear
We shall scrimp and save (shall scrimp and save)
Grandchildren on your knee
Vera, Chuck and Dave

Send me a postcard, drop me a line
Stating point of view
Indicate precisely what you mean to say
Yours sincerely, wasting away
Give me your answer, fill in a form
Mine for evermore
chorus

Will you still need me, will you still feed me
When I'm sixty-four?

You Can't Do That

Key: G

I got something to say that might cause you pain
If I catch you talking to that boy again
I'm gonna let you down
And leave you flat
Because I told you before, oh
You can't do that

Well, it's the second time I've caught you talking to him
Do I have to tell you one more time, I think it's a sin
I think I'll let you down (Let you down)
Leave you flat (Gonna let you down and leave you flat)
Because I've told you before, oh
You can't do that

Everybody's green
Cos I'm the one who won your love
But if they'd seen
You're talking that way they'd laugh in my face

So please listen to me, if you wanna stay mine
I can't help my feelings, I'll go out of my mind
I'm gonna let you down (Let you down)
And leave you flat (Gonna let you down and leave you flat)
Because I've told you before, oh
You can't do that, oh

(You can't do that
You can't do that
You can't do that
You can't do that
You can't do that)

Everybody's green
Cos I'm the one who won your love
But if they'd seen
You're talking that way they'd laugh in my face

So please listen to me, if you wanna stay mine
I can't help my feelings, I'll go out of my mind
I'm gonna let you down (Let you down)
And leave you flat (Gonna let you down and leave you flat)
Because I've told you before, oh
You can't do that

I've Just Seen A Face

Key: G

I've just seen a face
I can't forget the time or place
Where we just met
She's just the girl for me
And I want all the world to see
We've met, mmm-mmm-mmm-m'mmm-mmm

Had it been another day
I might have looked the other way
And I'd have never been aware
But as it is I'll dream of her
Tonight, di-di-di-di'n'di

Falling, yes I am falling
And she keeps calling
Me back again

I have never known
The like of this, I've been alone
And I have missed things
And kept out of sight
But other girls were never quite
Like this, da-da-n'da-da'n'da

Falling, yes I am falling
And she keeps calling
Me back again

solo

Falling, yes I am falling
And she keeps calling
Me back again

I've just seen a face
I can't forget the time or place
Where we just met
She's just the girl for me
And I want all the world to see
We've met, mmm-mmm-mmm-da-da-da

Falling, yes I am falling
And she keeps calling
Me back again
Falling, yes I am falling
And she keeps calling
Me back again
Oh, falling, yes I am falling
And she keeps calling
Me back again

I Wanna Hold Your Hand (clapping Ed #5, Top 5 #4)

Key: G

Oh yeah, I'll tell you something
I think you'll understand
When I say that something
I wanna hold your hand
I wanna hold your hand
I wanna hold your hand

Oh please, say to me
You'll let me be your man
And please, say to me
You'll let me hold your hand
You'll let me hold your hand
I wanna hold your hand

And when I touch you I feel happy
Inside
It's such a feeling that my love
I can't hide
I can't hide
I can't hide

Yeah, you got that something
I think you'll understand
When I say that something
I wanna hold your hand
I wanna hold your hand
I wanna hold your hand

And when I touch you I feel happy
Inside
It's such a feeling that my love
I can't hide
I can't hide
I can't hide

Yeah, you got that something
I think you'll understand
When I feel that something
I wanna hold your hand
I wanna hold your hand
I wanna hold your hand
I wanna hold your hand

I Saw Her Standing There

Key: D

Well, she was just seventeen
You know what I mean
And the way she looked was way beyond compare
So how could I dance with another (Ooh)
When I saw her standing there

Well she looked at me, and I, I could see
That before too long I'd fall in love with her
She wouldn't dance with another (Whooh)
When I saw her standing there

Well, my heart went "boom"
When I crossed that room
And I held her hand in mine

Whoah, we danced through the night
And we held each other tight
And before too long I fell in love with her
Now I'll never dance with another (Whooh)
When I saw her standing there

Well, my heart went "boom"
When I crossed that room
And I held her hand in mine

Whoah, we danced through the night
And we held each other tight
And before too long I fell in love with her
Now I'll never dance with another (Whooh)
Since I saw her standing there
Oh since I saw her standing there
Oh since I saw her standing there
