

Sgt Peppers Lonely Hearts Club Band

Key: D

It was twenty years ago today
Sergeant Pepper taught the band to play
They've been going in and out of style
But they're guaranteed to raise a smile
So may I introduce to you
The act you've known for all these years?
Sergeant Pepper's Lonely Hearts Club Band

We're Sergeant Pepper's Lonely Hearts Club Band
We hope you will enjoy the show
We're Sergeant Pepper's Lonely Hearts Club Band
Sit back and let the evening go
Sergeant Pepper's lonely, Sgt. Pepper's lonely
Sergeant Pepper's Lonely Hearts Club Band

It's wonderful to be here
It's certainly a thrill
You're such a lovely audience
We'd like to take you home with us
We'd love to take you home

I don't really want to stop the show
But I thought you might like to know
That the singer's going to sing a song
And he wants you all to sing along
So let me introduce to you
The one and only Billy Shears
And Sergeant Pepper's Lonely Hearts Club Band, yeah

Little Help From Our Friends

Key: E

What would you think if I sang out of tune
Would you stand up and walk out on me?
Lend me your ears and I'll sing you a song
And I'll try not to sing out of key
Oh I get by with a little help from my friends
Mm I get high with a little help from my friends
Mm gonna try with a little help from my friends

What do I do when my love is away?
Does it worry you to be alone?
How do I feel by the end of the day?
Are you sad because you're on your own?
No I get by with a little help from my friends
Mm I get high with a little help from my friends
Mm gonna try with a little help from my friends

Do you need anybody?
I need somebody to love
Could it be anybody?
I want somebody to love

Would you believe in a love at first sight?
Yes I'm certain that it happens all the time
What do you see when you turn out the light?
I can't tell you, but I know it's mine
Oh I get by with a little help from my friends
Mm I get high with a little help from my friends
Oh I'm gonna try with a little help from my friends

Do you need anybody?
I just need someone to love
Could it be anybody?
I want somebody to love

Oh I get by with a little help from my friends
Mm gonna try with a little help from my friends
Oh I get high with a little help from my friends
Yes I get by with a little help from my friends
With a little help from my friends

Lucy In The Sky With Diamonds

Key: A

Picture yourself in a boat on a river
With tangerine trees and marmalade skies
Somebody calls you, you answer quite slowly
A girl with kaleidoscope eyes
Cellophane flowers of yellow and green
Towering over your head
Look for the girl with the sun in her eyes
And she's gone

Lucy in the sky with diamonds
Lucy in the sky with diamonds
Lucy in the sky with diamonds, ahh

Follow her down to a bridge by a fountain
Where rocking horse people eat marshmallow pies
Everyone smiles as you drift past the flowers
That grow so incredibly high
Newspaper taxis appear on the shore
Waiting to take you away
Climb in the back with your head in the clouds
And you're gone

Lucy in the sky with diamonds
Lucy in the sky with diamonds
Lucy in the sky with diamonds, ahh

Picture yourself on a train in a station
With plasticine porters with looking glass ties
Suddenly someone is there at the turnstile
The girl with kaleidoscope eyes

Lucy in the sky with diamonds
Lucy in the sky with diamonds
Lucy in the sky with diamonds, ahh
Lucy in the sky with diamonds
Lucy in the sky with diamonds
Lucy in the sky with diamonds, ahh
Lucy in the sky with diamonds
Lucy in the sky with diamonds
Lucy in the sky-

Glass Onion

Key: Am

I told you about strawberry fields
You know the place where nothing is real
Well here's another place you can go
Where everything flows
Looking through the bent backed tulips
To see how the other half live
Looking through a glass onion

I told you about the walrus and me, man
You know that we're as close as can be, man
Well here's another clue for you all
The walrus was Paul
Standing on the cast iron shore, yeah
Lady Madonna trying to make ends meet, yeah
Looking through a glass onion

Oh yeah
Oh yeah
Oh yeah
Looking through a glass onion

I told you about the fool on the hill
I tell you man he living there still
Well here's another place you can be
Listen to me
Fixing a hole in the ocean
Trying to make a dove-tail joint, yeah
Looking through a glass onion

The Continuing Story Of Bungalow Bill

Key: C

Hey, Bungalow Bill
What did you kill, Bungalow Bill?
Hey, Bungalow Bill
What did you kill, Bungalow Bill?

Hey, Bungalow Bill
What did you kill, Bungalow Bill?
Hey, Bungalow Bill
What did you kill, Bungalow Bill?

He went out tiger hunting with his elephant and gun
In case of accidents he always took his mum
He's the all American bullet-headed Saxon mother's son
All the children sing

Hey, Bungalow Bill
What did you kill, Bungalow Bill?
Hey, Bungalow Bill
What did you kill, Bungalow Bill?

Hey, Bungalow Bill
What did you kill, Bungalow Bill?
Hey, Bungalow Bill
What did you kill, Bungalow Bill?

Hey, Bungalow Bill
What did you kill, Bungalow Bill?
Hey, Bungalow Bill
What did you kill, Bungalow Bill?

Deep in the jungle where the mighty tiger lies
Bill and his elephants were taken by surprise
So Captain Marvel zapped him right between the eyes, zap!
All the children sing

Hey, Bungalow Bill
What did you kill, Bungalow Bill?
Hey, Bungalow Bill
What did you kill, Bungalow Bill?

The children asked him if to kill was not a sin
"Not when he looked so fierce", his mummy butted in
If looks could kill it would have been us instead of him
All the children sing

Hey, Bungalow Bill
What did you kill, Bungalow Bill?
Hey, Bungalow Bill
What did you kill, Bungalow Bill?

Oh ho!

And Your Bird Can Sing

Key: D

Tell me that you've got everything you want
And your bird can sing
She don't get me
You don't get me

You say you've seen seven wonders
And your bird is green
But you can't see me
You can't see me

When your prized possessions
Start to weigh you down
Look in my direction
I'll be 'round, I'll be 'round

solo

When your bird is broken
Will it bring you down?
You may be awoken
I'll be 'round, I'll be 'round

You tell me that you've heard every sound there is
And your bird can swing
But you can't hear me
You can't hear me

She Said She Said

Key: A

She said, "I know what it's like to be dead.
I know what it is to be sad."
And she's making me feel like I've never been born

I said, "Who put all those things in your head?
Things that make me feel that I'm mad.
And you're making me feel like I've never been born."

She said, "You don't understand what I said."
I said, "No, no, no, you're wrong.
When I was a boy everything was right,
Everything was right."

I said, "Even though you know what you know,
I know that I'm ready to leave
'Cause you're making me feel like I've never been born."

She said, "You don't understand what I said."
I said, "No, no, no, you're wrong.
When I was a boy everything was right,
Everything was right."

I said, "Even though you know what you know,
I know that I'm ready to leave
'Cause you're making me feel like I've never been born."

She said, "I know what it's like to be dead.
I know what it is to be sad.
I know what it's like to be dead..."

Things We Said Today (Acoustic)

Key: Am

You say you will love me
If I have to go
You'll be thinking of me
Somehow I will know

To make you mine, girl
Be the only one
Love me all the time, girl
We'll go on and on

Someday, when I'm lonely
Wishing you weren't so far away
Then I will remember
Things we said today

Someday when we're dreaming
Deep in love, not a lot to say
Then we will remember
Things we said today

You say you'll be mine, girl
'Til the end of time
These days, such a kind girl
Seems so hard to find

Someday, when we're dreaming
Deep in love, not a lot to say
Then we will remember
Things we said today

Me, I'm just the lucky kind
Love to hear you say that love is luck
And though we may be blind
Love is here to stay and that's enough

To make you mine, girl
Be the only one
Love me all the time, girl
We'll go on and on

Someday, when we're dreaming
Deep in love, not a lot to say
Then we will remember
Things we said today

Me, I'm just the lucky kind
Love to hear you say that love is luck
Though we may be blind
Love is here to stay and that's enough

Don't Pass Me By

Key: C

I listen for your footsteps
Coming up the drive
Listen for your footsteps
But they don't arrive
Waiting for your knock, dear
On my old front door
I don't hear it
Does it mean you don't love me any more?

chorus againN

I hear the clock are ticking
On the mantel shelf
See the hands are moving
But I'm by myself
I wonder where you are tonight
And why I'm by myself
I don't see you
Does it mean you don't love me any more?

Don't pass me by, don't make me cry, don't make me blue
Cause you know darling I love only you
You'll never know it hurt me so
How I hate to see you go
Don't pass me by, don't make me cry

I'm sorry that I doubted you
I was so unfair
You were in a car crash
And you lost your hair
You said that you would be late
About an hour or two
I said that's alright I'm waiting here
Just waiting to hear from you

solo

Don't pass me by, don't make me cry, don't make me blue
Cause you know darling I love only you
You'll never know it hurt me so
How I hate to see you go
Don't pass me by, don't make me cry

Good Day Sunshine

Key: A

Good day sunshine, good day sunshine, good day sunshine

I need to laugh and when the sun is out
I've got something I can laugh about
I feel good in a special way
I'm in love and it's a sunny day

Good day sunshine, good day sunshine, good day sunshine

We take a walk, the sun is shining down
Burns my feet as they touch the ground

solo. C A7 D7 G7 C

Good day sunshine, good day sunshine, good day sunshine

Then we'd lie beneath the shady tree
I love her and she's loving me
She feels good, she knows she's looking fine
I'm so proud to know that she is mine.

Good day sunshine, good day sunshine, good day sunshine
Good day sunshine, good day sunshine, good day sunshine
Good day sunshine, good day sunshine, good day sunshine
Good day...

What You're Doing

Key: G

2x

Look what you're doing, I'm feeling blue and lonely
Would it be too much to ask of you
What you're doing to me?

You got me running and there's no fun in it
Why should it be so much to ask of you
What you're doing to me?

I've been waiting here for you
Wond'ring what you're gonna do
And should you need a love that's true
It's me

Please stop your lying, you've got me crying, girl
Why should it be so much to ask of you
What you're doing to me?

Solo

I've been waiting here for you
Wond'ring what you're gonna do
And should you need a love that's true
It's me

Please stop your lying, you've got me crying, girl
Why should it be so much to ask of you
What you're doing to me?
What you're doing to me?
What you're doing to me?

It's Only Love

Key: C

I get high when I see you go by
My oh my
When you sigh, my, my inside just flies
Butterflies
Why am I so shy when I'm beside you?

(Bb) It's only love and that is all
Why should I feel the way I do?
It's only love, and that is all
But it's so hard loving you

Is it right that you and I should fight
Every night?
Just the sight of you makes nighttime bright
Very bright
Haven't I the right to make it up girl?

It's only love and that is all
Why should I feel the way I do?
It's only love, and that is all
But it's so hard loving you
Yes it's so hard loving you, loving you

I'll Follow The Sun

Key: C

One day you'll look to see I've gone
For tomorrow may rain, so I'll follow the sun
Some day you'll know I was the one
But tomorrow may rain, so I'll follow the sun

And now the time has come
And so my love I must go
And though I lose a friend
In the end you will know, oooh

One day you'll find that I have gone
But tomorrow may rain, so I'll follow the sun

solo

Yea, tomorrow may rain, so I'll follow the sun

And now the time has come
And so my love I must go
And though I lose a friend
In the end you'll know, oooh

One day you'll find that I have gone
But tomorrow may rain, so I'll follow the sun

I'm So Tired

Key: A

I'm so tired, I haven't slept a wink
I'm so tired, my mind is on the blink
I wonder should I get up and fix myself a drink
No, no, no

I'm so tired I don't know what to do
I'm so tired my mind is set on you
I wonder should I call you but I know what you would do

You'd say I'm putting you on
But it's no joke, it's doing me harm
You know I can't sleep, I can't stop my brain
You know it's three weeks, I'm going insane
You know I'd give you everything I've got
For a little peace of mind

I'm so tired, I'm feeling so upset
Although I'm so tired I'll have another cigarette
And curse Sir Walter Raleigh
He was such a stupid git

You'd say I'm putting you on
But it's no joke, it's doing me harm
You know I can't sleep, I can't stop my brain
You know it's three weeks, I'm going insane
You know I'd give you everything I've got
For a little peace of mind
I'd give you everything I've got
For a little peace of mind
I'd give you everything I've got
For a little peace of mind

One, two, three, four
One, two (oh)

Should five percent appear too small
Be thankful I don't take it all

'Cause I'm the taxman
Yeah, I'm the taxman

if you drive a car
I'll tax the street
(If you try to sit, sit) I'll tax your seat
(If you get too cold, cold) I'll tax the heat
(If you take a walk, walk) I'll tax your feet
Taxman

'Cause I'm the taxman

Don't ask me what I want it for
Haha, Mr. Wilson
If you don't want to pay some more
Haha, Mr. Heath

'Cause I'm the taxman
Yeah, I'm the taxman

Now my advice for those who die
Taxman!
Declare the pennies on your eyes
Taxman!

Rain

Key: G

If the rain comes
They run and hide their heads
They might as well be dead
If the rain comes
If the rain comes

When the sun shines
They slip into the shade
When the sun shines down
And sip their lemonade
When the sun shines down
When the sun shines
When the sun shines

Rain, I don't mind
Shine, the weather's fine

I can show you
That when it starts to rain
When the rain comes down
Everything's the same
When the rain comes down
I can show you
I can show you

Rain, I don't mind
Shine, the weather's fine

Can you hear me?
That when it rains and shines
When it rains and shines
It's just a state of mind
When it rains and shines
Can you hear me?
Can you hear me?

Savoy Truffle

Key: E

Creme tangerine and montelimar
A ginger sling with a pineapple heart
A coffee dessert, yes, you know it's good news
But you'll have to have them all pulled out
After the Savoy truffle

Cool cherry cream, nice apple tart
I feel your taste all the time we're apart
Coconut fudge really blows down those blues
But you'll have to have them all pulled out
After the Savoy truffle

You might not feel it now
But when the pain cuts through
You're going to know and how
The sweat is going to fill your head
When it becomes too much
You'll shout aloud

Instrumental/Solo

But you'll have to have them all pulled out
After the Savoy truffle

You know that what you eat you are
But what is sweet now turns so sour
We all know obla-dibla-da
But can you show me where you are?

Creme tangerine and montelimar
A ginger sling with a pineapple heart
A coffee dessert, yes, you know it's good news
But you'll have to have them all pulled out
After the Savoy truffle

Yes you'll have to have them all pulled out
After the Savoy truffle

Aw come on!
Ho yeah!
Ho yeah!
Ho ho yeah!
Yeah yeah!

Yeah I'm back in the U.S.S.R.
You don't know how lucky you are boys
Back in the U.S.S.R.

Well the Ukraine girls really knock me out
They leave the West behind
And Moscow girls make me sing and shout
That Georgia's always on my my my my my my my my my mind

Oh, show me 'round your snow-peaked mountains way down south
Take me to your daddy's farm
Let me hear your balalaikas ringing out
Come and keep your comrade warm

I'm back in the U.S.S.R.
Hey you don't know how lucky you are boys
Back in the U.S.S.R.

Oh let me tell you, honey
Hey, I'm back!
I'm back in the U.S.S.R.
Yes, I'm free!
Yeah, back in the U.S.S.R.
