#### **Bio's of the candidates:**

**Ed Koch's bio:** My wife Stefanie and I have lived full time in Sky Country Estates since July of 2014. I have served on the Board of Sky Country Estates since 2013 and served as Treasurer and President during my terms. Currently I am President of Sky Country Estates Mutual Domestic Water Consumers Association and have been managing the water system in Sky Country Estates since 2015. My decision to run again for the Board of Directors is to continue the work the Board is doing to manage and maintain the subdivision for the protection and benefit of all property owners.

**Mike Dubois' bio:** My name is Mike DuBois. I am running for re-election to the Sky Country Estates Board of Directors. My wife, Norma and I bought our lot back in 2007. I have been serving on the Board for the last 10 years or so, and would like to continue to serve the community in that capacity. I just retired this month and have been living here full time for the since 2022. I have always tried to represent both homeowners and property owners interests and will continue to do so if re-elected. Thanks for your past and continued support.

**Don Littlefield's bio:** I have been a licensed master plumber for over 40 years. During this period, I have owned my own plumbing businesses in both Texas and New Mexico. Since purchasing my property in Sky Country Estates in 2019, I have been involved with and assisted in the repair and maintenance of the water system in Sky Country Estates. Currently my wife Virginia and I are in the process of building our new home in Sky Country Estates on Polaris Point and will be permanent residents once the construction is complete this fall. I am running for the Board because I believe everyone should be involved as a good neighbor to help maintain and improve the neighborhood for the benefit of everyone. Being a Board member will give the opportunity to help all the property owners maintain their investment in their property in Sky Country Estates. Thank you for your consideration as you vote for the Board of Directors. I look forward to serving you on the Board.
