The KEY to YOU getting a good caricature is sending us clear, well-lit photos of the subject, ideally with eye color and the hairstyle shown as you'd like them to be shown.

More than one photo very helpful, to help us catch the full look and personality of the subject to be illustrated.

If you'd like to show hobbies or a particular type of clothing or setting... let us know.

b/w pen and ink

Different eyes, wardrobe, parrot, and holding an iPad.

We always start with a pencil sketch as a proof for your review.

On Calculator

Each employee is depicted showing what they do.

Well lit photos they sent were essential for helping us to illustrate them clearly.

At the desk with checks and depositing them. Something clever like that. They did a photo with money, but it's not appropriate for the card.

Looking at a binder that reads, Quality Manual.. Or Safety.. Or have a long scroll haha that goes to the floor

Giving a speech, try and get the clipboard with the stickers on the back side

Papers in hand with coffee

On Phone

We can't hire an IN-HOUSE GRAPHIC DESIGNER. That's ridiculous!

I'd like some CHARTS and GRAPHS and other WEB CONTENT that doesn't put people to sleep.*

Our CATALOG and YEARBOOK can sure use some creativity.*

It would be nice to get some very custom cartoons to our PROMO AND BRANDING MATERIALS.*

How about our own custom HAPPY BIRTHDAY CARD, with us drawn as a rodeo, basketball or football team?*

Yeah. CARICATURES of all of us for our website.*

We could even explain and clearly show OUR SERVICES in a COMIC STRIP.*

We don't only work with large companies with boardrooms. We also work energetically with smaller and even startup companies.
