This is a custom imprint we designed for an Ice Hockey Team jersey.

As their team name is 'DIM SUM'... they wanted the hockey puck to be replaced with a chinese dim sum steaming basket.

At their request, we designed this graphic to print on a dark shirt in two colors.. white and black ink. We placed our design against a non-printing dark gray to assist the client in seeing how it would look.

CartoonBob is an expert at designing graphics for garments.

My Process Example... Cartoon set promoting 401k counselors

page 24

1

Rough pencil layout for your review, after we discuss your overview and we pick from our suggested approaches...

2

Tighter pencil intermediate proof, for your review before we go to step 3...

3

Pre-color ink line art, based tightly on step 2.

4

Finished, full color cartoon, which I supply in popular formats for both web and print. See detail view of this next page.

Blue arrows 1 through 4 above show the usual steps involved with developing a cartoon scene with a client.

Each cartoon was carefully crafted, with heavy client participation, to illustrate a different unique selling point that they offer.
