## MANAGEMENT FEST

As Bigwig Social, we had the privilege of spearheading the digital marketing campaign for Dhriti – The Hub of Entrepreneurial Excellence, organized by Gyan Ganga College of Excellence in collaboration with the Genesis Incubation Centre.

Our comprehensive strategy encompassed targeted social media promotions, QR-based registration facilitation, and engaging visual content tailored to resonate with students, entrepreneurs, and business enthusiasts. From creative teaser campaigns to countdowns and highlight reels, we ensured consistent online buzz across platforms like Instagram, Facebook, and LinkedIn.

Through strategic ad placements and influencer collaborations, we significantly boosted event visibility and registrations, contributing to Dhriti's strong digital footprint and anticipated success.

## FASHION

You lose 50% of your customers if you do not market your brand digitally in this competitive market. Oftentimes, you have a specific product that a customer wants but can't reach you.

Digital marketing for the fashion industry allows you to introduce your business online, serve a large audience, and expand your business.

## EDUCATION

Today, the most successful educational institutions have been practicing educational digital marketing for decades. The trend of digital marketing for education has taken over the world in the last few years, and institutions prefer digital marketing to educational marketing.

Students rely heavily on social media and digital platforms for their decision-making.

**FAST-MOVING BRANDS NEED  
FAST-MOVING DIGITAL STRATEGIES!**

DIGITAL GROWTH IN FMCG!

The fast-moving Consumer Goods industry (FMCG) must apply digital marketing tactics instead of traditional marketing.

Compared to other industries, FMCG companies should be more aware of their audience and their buying habits. FMCG businesses face many challenges, such as being seen as commodities and lacking a specific and loyal customer base.
