# COMPANY PROFILES

ملفات تعريفية

...e construction company, Trio Partners Building Contracting LLC has all what it takes for assisting in conception to the completion of their projects. We treat the relationship with our customers as a partnership and mutually develop the following five:

- Defining and establishing the scope of the project and scheduling of the projects, phases, plans, budgeting/ cost-modeling, subcontractor qualification etc.
- On-site execution of the project including scheduling, procurement, quality control, safety management, subcontractor management, status reporting and change management.
- Monitoring and controlling the project.
- Closing of the project, handing over and moving to post construction activities.

**Honesty**  
We are honest and ethical in all what we do. We are accountable for our performance and exhibit trust in others.

**Enthusiasm**  
We believe that enthusiasm for, and taking pride in, all what we do is fundamental for achieving the goals of our organization. We always encourage our people to remain positive and enthusiastic and help them to make a difference through providing them with technical and personal support.

...y. We are committed in order to achieve the highest quality and customer satisfaction.

When it comes to Project Delivery Methods, Trio Partners Building Contracting LLC has a vast experience in handling diverse range of contract types including:

- Lump Sum bids
- Construction Management
- Design-Build Development
- Pre-construction Services
- Logistics and Technical Support
- EPC (Engineering, Procurement and Construction)
- BOT (Build, Operate and Transfer)

## MISSION PRINCIPLES

Trio Partners Building Contracting LLC is committed to providing superior Contractor for Civil and MEP works, which not only improves the value of services delivered to our clients and communities, as well as striving to achieve high quality projects with strict commitment to safety and environment to ultimately obtain clients' satisfaction.

To supply competent technical and semi-technical manpower to all our customers as per their needs.

To provide exceptional opportunities for personal and professional growth for our stakeholders.

**VALUES**  
Customer Satisfaction  
Our customers are our highest priority. We are committed to collaborative interaction with them in order to achieve excellent outcomes, cost effectiveness, uppermost quality and satisfaction.

**Supportive Environment**  
We strive to maximize the personal and professional potentials of every individual in our organization by fostering a supportive environment and understanding the strength and weakness of each of our human capital. Our organization takes pride in running a discrimination-free work environment.

## MANAGING DIRECTOR MESSAGE

The top priority of Trio Partners Building Contracting LLC is to remain reliable, competitive and efficient at the forefront of the Construction Sector through quality, honesty, and hard work. We always focus on introducing and implementing the latest construction technologies and adding value to all what we do, while protecting the interests of our customers, caring for the local environment and paying special attention to the wellbeing of our human capital.

## LINKY

A product we created to avoid problems caused by the friction of the medical mask threads with the ear. The product was very popular during the spread of the Corona pandemic, and so far it is achieving high sales in stores specializing in doctors' supplies and medical college students.
