

## Institutional Brief — Chapter Venezuela (Caracas) 2026

Exodus & Resilience structures chapter-based cultural architectures designed for foundations, corporate social investment programs, and institutional partners seeking measurable, governance-ready impact.

### Program Overview

- 90–105 day flagship institutional pilot (Caracas, 2026)
- White-label adaptable institutional execution
- Educational mediation toolkit included
- Structured documentation and impact reporting
- Scalable roadmap for annual or multi-city expansion

### Governance & Intellectual Property

Exodus & Resilience retains authorship of the curatorial narrative, methodology, and chapter architecture. Institutional partners receive defined implementation and visibility rights under formal agreements. All collaborations operate under structured governance frameworks and compliance-ready documentation.

### Strategic Positioning

Chapter Venezuela (Caracas) 2026 is structured as a flagship institutional pilot. Strategic lead partnership positioning is available under defined agreements.
