The current SSA Committee as elected by SSA members at our AGM generally meet fortnightly on a Monday evening from 7.15pm onwards in the brand new Sandy Pate Sports Bar at One Call Stadium, home of Mansfield Town FC.

The SSA is run by volunteers as a labour of love in our spare time and SSA are always looking out for enthusiastic, passionate, forward thinking people who are willing to help contribute positively to the SSA and help drive the organisation forward. SSA are always open to new ideas and would be delighted to talk to anyone who can offer value to the organisation. SSA members are always welcome at Committee Meetings but we would advise any member wanting to attend to firstly ring the SSA on 07967 689597 to check the date of the next SSA Committee Meeting as these do change from time to time. Stag Party Book Now Available!

Stag Party: The Inside Story of Mansfield Town's Return to the Football League is a behind-the-scenes account of the Yellows' incredible surge back into the 'big time' under the leadership of manager Paul Cox and Chairman John Radford.

The 264-page full-colour hardback publication covers the entire 2012-13 campaign, including pre-season and the aftermath, from the low of FA Trophy exit at the hands of Evo-Stik League club Matlock Town to the unforgettable high of the crucial stoppage-time winner at Hereford United.

Penned by award-winning former Nottingham Post writer Matt Halfpenny – who covered the Stags across the country between 2006 and 2012 – it features exclusive views from all of the central characters involved, including Cox and Radford, players Matt Green, Adam Murray, Alan Marriott and Lee Beevers, groundsman Michael Merriman and the SSA's Martin Shaw, plus a selection of fans.

Priced at £17.99, the publication also includes 24 pages of vivid, full-colour pictures, kindly supplied by Richard Parkes, JMS Photography and Will Kilpatrick Photography, which capture all the memorable action from one of Mansfield's most exciting seasons ever.

Any profits made from the book will go to charity. There will be an additional charge for postage and packing, which is for UK addresses only.

Books are available from the MFC Merchandise Outlet at the One Call stadium and aboard SSA Official Away Travel Coaches or email: matthalfpenny@yahoo.co.uk

SSA
Immortalise
Skills Coach
Driver Lisa

SSA ❤️ Lisa

After the Stags won the league last season to be crowned Champions SSA commissioned the making of a special pin badge and as Skills coach driver Lisa is so well loved by travelling fans they insisted that Lisa's image was incorporated into the badge! SSA Chairman Dean Foulkes explained "All the regular travellers love Lisa's fun loving bubbly personality and she plays a big part in making sure we enjoy our days out up and down the country whether we win, lose or draw. She always has a smile on her face".

Once we were crowned Champions we wanted a make a pin badge to celebrate the seasons adventures away from home and we insisted Lisa was built into the design! The badges have sold well and Lisa's popularity is growing week by week even to the point fans are now asking to take their photo with her on arrival at away grounds! We think Skills are lucky to have her, she is a fab driver and we hope to be making a new badge next summer including Lisa when we get promoted again! "

Congratulations

to Alan Wilson on
25 years service!

"It has been an honour and a privilege to be the voice of Mansfield Town Football Club for the last 25 years.

Not many people can declare they have done a voluntary job for 25 years. I'm proud to announce I have. In my opinion, to say being the PA Announcer of this fabulous family friendly football club is the best job in the world, would be an understatement. I cannot explain just how much I enjoy communicating with the fans, players, officials and staff at home matches. I have so many memories, some I would like to share with you.

Two of my most favourite memories have to be announcing Colin Larkin's winning penalty in the play-offs to take the club to Cardiff for the final in 2004 and more recently being able to play 'We are the Champions' at the end of last season, after winning the championship. It's these kind of memories that will stay with me forever.

It's not all plain sailing though, there are down sides to my job. At time there have been gremlins at work in the shape of technology failure. I always like to promote a professional attitude when talking over the PA system. On a few occasions the roaming microphone has let me down by cutting me off and then I have had to race back up the steps to the Sound System room to sort out the problem.

There has been funny memories too. Who can forget the wedding proposal at half time on the pitch? The potential groom asked his unsuspecting girlfriend to marry him. As soon as the bride to be said yes, the on looking crowd jokingly shouted 'You don't know what you're doing' straight after applauding them. The Stags fans are legends!

I would like to take this opportunity to thank the SSA for their support. My job would be more difficult without their help."

SSA Member from USA!

Mike has been a Stags supporter for over 30 years and has lived in the USA since 2005.

Hello

For your News letter I attach a photo of myself on my garden deck in sunny Lynn, Massachusetts US of A, in retro Stags shirt and reading the souvenir edition of the Chad that my Mum sent me!

If you want, you could mention that I have been a life-long Stags fan and preferred it when we had North Stand!

My favourite teams were those of the Rod Arnold/Ray Clarke and the Chris Greenacre/Andy White eras and I actually saw Ray Clarke playing for Sparta Rotterdam many years ago when I was over there in Holland on a soccer tour with my junior team.

I flew over especially from the USA to watch Stags in the FA Trophy Final v Darlington, which was well worth the trip, even though we couldn't get the win. Good to have a decent pint of beer and some Fish and Chips again!!

These days, if I want to watch live football (or Soccer as they say here!!), I have to go to Foxboro Stadium to watch the New England Revolution in the MLS - not a bad standard, but nothing like watching my beloved Stags - you should mention it to Mr Radford to arrange a Stags tour here for a couple of games...

Anyway, here's looking forward to the new season and hoping that all this latest scandal with the loan recall will not affect our focus...

London and South East Stags

This group was formed by SSA Amber Member David Cross on Wednesday 12th December 2012. A group of Mansfield fans detached from Mansfield geographically, met in the capital to watch Stags on TV.

The group descended upon London and met up in The Freemasons Arms, Covent Garden.

The group has also opened up dialogue with MTFC regarding the possibility of meeting players and staff should the club fund stop-overs for games in the London and South East region during the 2013-14 season.
