SSA Backing Football in the Community

The SSA have decided to support Football In The Community for the Season 11/12. Chairman Dean Foulkes said " SSA are delighted to be forming a closer relationship with the Football In The Community Team – we have been aware for some time of the excellent work Mark and his team do in promoting the club both at Field Mill and out and about in schools and the local community.

As part of this agreement SSA are loaning FITC a huge marquee to assist them with events and we look forward to the FITC team enrolling as many children into the Junior ranks of SSA as possible. Any Junior membership monies raised through this scheme will be donated directly to the FITC department."

SSA THANKS GROF!

SSA recently sent a letter to David Grof thanking him for his services to the club last season.

Dear David

On behalf of the fans of Mansfield Town FC, the SSA would like to offer our congratulations to you on your recent move to Football League Club Walsall FC.

We would also like to thank you for your huge contribution during our FA Trophy run last season, particularly against Luton which ensured that our club played at Wembley for the first time in 25 years. We would also thank you for your professionalism throughout despite your obvious heartache at missing out on the Wembley squad due to the eligibility issue.

SSA would like to wish you all the very best in your future career and hope our paths can soon cross again in the Football League!

Player of the Year

The SSA wishes to thank everyone who travelled to Scarborough for the 2nd Annual Seaside Trip during the Summer.

Welcome to our latest overseas member, **Tony** from Malta!
