

Eduarda Cysneiros

UI/UX Designer

Professional Profile

I'm Eduarda Cysneiros, a 26-year-old Designer from Brazil, currently based in Portugal. I work as a UI/UX Designer, passionate about creating clean, functional interfaces and smooth user experiences, while also bringing knowledge in graphic design. I am seeking an opportunity to apply and expand my skills, contributing with creative, efficient, and impactful solutions that foster both company growth and my own professional development. My work is inspired by the experiences and stories I've encountered, resulting in designs that are thoughtful, strategic, and results-driven.
