Experience

Los Angeles Unified School District (LAUSD) - Substitute Teacher

Oct 2023 – Present

- Coordinate day-to-day classroom operations for up to 13 schools across the San Fernando Valley, ensuring adherence to district guidelines and safety protocols.
- Manage communication and conflict resolution among students, faculty, and parents while maintaining compliance with academic and behavioral standards.
- Write and execute lesson plans, aligning with district scope and long-term objectives under tight deadlines.

Ojai Unified & Santa Paula Unified School Districts - Substitute Teacher

Sept 2015 – June 2023

- Served 15 schools and 11,000+ students, balancing multiple concurrent assignments requiring strict schedule adherence.
- Conducted progress tracking and reporting to administrators, ensuring continuity between permanent and substitute staff.

McCormick Environmental, Inc. - Lab Technician/Field Assistant

2007 - 2023

- Conducted environmental research and conservation projects to restore an ecologically fragile intertidal zone
 - Data collection, analysis and reports (using Excel, PowerPoint and Word) that supported acquisition of grant funding.
-
