

**Mango Insurance Car Warranty** provides coverage against unexpected expenses related to mechanical, electronic, and electrical failures of the vehicle insured.

- **Warranty period:** 12, 24 or 36 months
- **Annual mileage limit from** 10,000 km to unlimited
- **Total claim payout limit:** vehicle purchase price
- **Single claim payout limit:** max. 6 000 €
- **Unlimited number of claims up to the payout limit**
- **Fast and high-quality claims handling**

**ADVANTAGE** warranty plan providing coverage for the main vehicle components

Plan

**Mango Insurance Car Warranty ADVANTAGE**

Eligibility criteria

**Mango Insurance Car Warranty ADVANTAGE** is available to vehicles that meet the following criteria:

- Maximum age of the vehicle: **8 years**
- Maximum mileage: **200 000 km**

Covered components

Engine

Transmission

Brakes

Clutch

Electronic components

Steering

Air conditioning

Hybrid drivetrain

Fuel injection system

All-wheel drive

Differential drive

Fuel system

Engine cooling system

Consumables and housings

Rental car cost compensation

If the insured vehicle becomes inoperable due to a failure of components covered by insurance, transportation costs are compensated up to €200 per incident.

**CHOOSE THE CAR YOU LIKE AND LEAVE THE WORRIES TO US.**

Less worries...

The purpose of this document is to provide basic information about the warranty plan Mango Insurance Car Warranty ADVANTAGE. This is not a complete extract of all insurance terms related to the insurance agreement. Detailed terms of insurance of the warranty plan ADVANTAGE are enclosed to the insurance agreement.

## Covered components

 <h3>Engine</h3> <p>All internal lubricated parts. External engine parts: intake manifold, flywheel, ring gear, turbocharger, timing belt</p>	 <h3>Clutch (mechanical)</h3> <p>Pressure plate, clutch release bearing, master and slave cylinders</p>
 <h3>Engine cooling system</h3> <p>Radiator, oil cooler, water pump</p>	 <h3>Fuel system (diesel and petrol)</h3> <p>Mechanical and electric fuel pumps, fuel injection system, throttle valve, mass air flow sensor, injectors, AdBlue pump, NOx sensor, EGR valve (max. €400 limit)</p>
 <h3>Engine Control Unit (ECU)</h3> <p>Electric engine control unit</p>	 <h3>Electronic components</h3> <p>Starter motor, alternator, ignition coil (petrol engines only), coil voltage regulator, turn signal flasher relay, front and rear wiper and washer motors, window and sunroof motors, central locking motor, heater fan motor, lambda sensor</p>
 <h3>Transmission</h3> <p>Manual, automatic, Continuously Variable Transmission (or variator transmission): all internal lubricated parts, control devices, mechatronics</p>	 <h3>Consumables and housings</h3> <p>Operating fluids and filters are only insured if replacement is required due to failure of any component listed as covered.</p> <p>Housings are also insured if they fail due to failure of any component listed as covered.</p>
 <h3>Steering (including power steering)</h3> <p>Steering mechanism with gear (excluding steering column covers), power steering rack and pump, electric power steering motor, idle control valve, power steering reservoir</p>	 <h3>Exclusions</h3> <ul style="list-style-type: none"> <li>• Gradual loss of properties such as tension, compression, etc.</li> <li>• Gradually increasing oil consumption, hardening of piston rings</li> <li>• External influence: moisture ingress, mechanical damage, traffic accident, etc.</li> <li>• Clutch discs, pressure plates, brake discs, drums and pads</li> <li>• Valve cover, as well as all gaskets, bushings, mounts</li> <li>• Wires, cables, sockets, pipes, hoses, protective rubbers and covers</li> <li>• Joints, hinges, springs, cables</li> <li>• Other non-covered components are specified in the insurance rules and terms of warranty plan</li> <li>• Corrosion and oxidation</li> <li>• Mechatronics</li> </ul>
 <h3>Brakes</h3> <p>Master brake cylinder, wheel brake cylinders, pressure limiting valve, brake booster, valve, and ABS sensors</p>	
 <h3>Torque converter</h3> <p>All internal mechanical parts</p>	
 <h3>Differential drive</h3> <p>All internal lubricated parts</p>	
 <h3>Front, rear, and 4-wheel drive</h3> <p>All internal lubricated gear components</p>	
 <h3>Air conditioning (factory-installed)</h3> <p>Air conditioning compressor unit, air control flaps.</p>	
<h3>Additional options</h3> <p><b>Hybrid drivetrain components</b></p> <ul style="list-style-type: none"> <li>• Traction battery or its separate parts or capacitors</li> <li>• Integrated battery charger (inverter)</li> <li>• Converter (voltage converter for step-up or step-down)</li> <li>• Electric drive unit (EDU)</li> <li>• Charging port lock</li> <li>• All wiring harnesses</li> </ul>	

Information document, insurance coverage is provided in accordance with the extended warranty insurance rules (available only in lithuanian, latvian and estonian):
