## Plan

### Mango Insurance Car Warranty DELUXE

## Eligibility criteria

**Mango Insurance Car Warranty DELUXE** warranty plan is intended for cars that meet the following criteria:

- Max. age of the car is **6 years**
- Max. mileage **160 000 km**

## Insured components

Engine

Gearbox

Brakes

Clutch

Electronic components

Steering gear

Air conditioner

\*Hybrid drive

Fuel injection system

4x4 drive

Differential

Fuel system

Engine cooling system

Operating materials and housing

\*Multimedia

\*Car rental cost compensation

If the insured vehicle cannot be driven due to damage to an insured component, the expenses for the evacuation of the insured vehicle are compensated up to EUR 200 per insured event

**CHOOSE THE CAR YOU LIKE AND LEAVE THE WORRY TO US.**

Less worry...

The purpose of this document is to provide basic information about Mango Insurance Car Warranty DELUXE warranty plan. It does not cover all the insurances associated with the insurance contract statement of terms and conditions. Detailed insurance conditions of the DELUXE warranty plan are attached to the insurance contract.

Mango Insurance DELUXE Warranty provides protection against all mechanical and electronic parts that are not on the list of excluded components.

## Examples of insured components

### Engine

- crankshaft
- timing chain / belt
- turbocharger / compressor
- crankshaft pulley
- camshaft
- water pump
- vacuum pump
- air conditioner compressor
- cooler
- air conditioner evaporator
- air intake manifold
- oil temperature sensor
- other components that are not exceptions

### Electric components

- engine control unit
- gearbox and 4x4 drive control unit
- air conditioner control unit
- comfort functions control unit
- headlight control unit
- starter
- alternator
- sensors
- windshield wiper motors
- electric window and sunroof motors
- central locking system
- steering wheel heating
- seat heating
- parking cameras
- parking system sensors
- lane-keeping system
- automatic mirrors
- traction control system
- electric seat motors
- airbag system (excluding the airbags themselves)
- keyless ignition system
- LED lights
- other components that are not exceptions

### Transmission

- bearings
- shafts
- dual-mass flywheel
- hydrodynamic converter
- mechatronics
- differential (including inter-axle)
- 4x4 drive
- drive shafts and joints
- other components that are not exceptions

### Clutch

- main and auxiliary clutch cylinders
- clutch release bearing
- other components that are not exceptions

### Wheel

- steering column
- rack and pinion steering mechanism
- power steering rack and pump
- electric power steering motor
- idle control valve
- power steering reservoir
- steering position sensor
- other components that are not exceptions

### Brakes

- master brake cylinder
- brake booster
- ABS system unit
- brake force regulator
- other components that are not exceptions

### Consumables and housings

Operating fluids and filters are covered only if they need to be changed due to the failure of a covered component listed above. Housings are also covered if they are damaged due to the failure of a covered component listed above.

### Suspension

- pneumatic suspension components, compressor, airbags, pressure sensors
- active shock absorbers
- springs
- front and rear axles
- wheel bearings

### Fuel system

- fuel pump
- throttle (air valve)
- injectors
- control valves and sensors / lambda sensor
- air intake mass meter
- EGR valve
- DPF filter
- exhaust gas sensors and regulators
- AdBlue control system
- NOX sensor
- other components that are not exceptions

## Additional options

#### Hybrid drive components

- traction battery or its individual parts or capacitors
- integrated battery charger (inverter)
- converter (voltage converter for boosting or reducing)
- electric drive unit (EDU)
- charging port lock
- all wiring harnesses

#### Multimedia system

- screens (including touch screens)
- radio, DVD, CD players, and changers
- microphones
- speakers
- amplifiers
- navigation system

#### Car rental expenses
