SMB PODS

UNBEATABLE QUALITY & PREMIUM EXPERIENCE

01.32dB Sound Insulation

Our soundproof glass doors and walls are SGS certified for 32 decibels.

02.Quick Installation

Modular design allows assembly in under an hour for single-person pods, and under two hours for four-person pods.

03.Silent Ventilation

Our office pods use silent fans to ensure a noise-free environment, while the air inside the pod is refreshed in less than a minute.

04.Premium Materials

Made with 1.2mm steel plates, 4mm+4mm explosion-proof glass, and 12mm sound-absorbing panels, our pods set high standards.

05.Comprehensive Control

The minimum order quantity is just 1, reducing inventory pressure for our partners.

06.Mobility

Wheeled and detachable, our pods are easy to move within your building or relocate to a different office.

07.High Cost-Effectiveness

We offer the best prices in the industry, providing exceptional value.

08. Warranty

All products come with a 1-year warranty.
