

# CAPABILITIES STATEMENT

S&G—an SBA Minority Owned, Women-Owned Enterprise—is dedicated to shaping exceptional growth stories. S&G demonstrates strong project management capabilities through its ability to coordinate fast-paced procurement cycles, manage dropship logistics, and ensure on time, compliant delivery of goods across multiple product categories. Leveraging pre-vetted supplier relationships, net 30 terms, and real-time fulfillment tracking, the company efficiently executes product-based contracts under the simplified acquisition threshold with precision and reliability.
