About Us.

Business Overview

Peltrans is a trusted provider of freight forwarding, transport, and customs clearing services, offering dependable, cost-effective logistics solutions to businesses operating locally, regionally, and internationally. With a deep understanding of supply chain dynamics and cross-border trade, we specialize in moving goods efficiently—ensuring that each shipment is delivered on time, in full, and with complete transparency. Our operations are built on smart coordination, real-time communication, and a dedication to minimizing delays and disruptions across the supply chain.

With a growing portfolio of satisfied clients and a solid infrastructure, Peltrans continues to strengthen its position as a reliable logistics partner for businesses across various industries. We combine logistics expertise, regulatory knowledge, and a customer-first approach to offer tailored solutions that meet the unique demands of every shipment. From managing complex import and export requirements to securing safe transport for high-value cargo, Peltrans is committed to delivering excellence at every stage of the logistics journey.

Mission & Vision.

MISSION

Our mission is to provide comprehensive, cost-effective, and dependable logistics solutions that connect businesses to markets with speed, accuracy, and confidence. We are driven by a commitment to timely deliveries, transparent communication, and exceptional service, ensuring that each client receives the attention and reliability they deserve. Whether it's managing the complexity of international freight, ensuring compliance at customs, or delivering goods across cities and borders, Peltrans is dedicated to handling every detail with precision and professionalism.

VISION

Our vision is to become a recognized leader in freight forwarding, transport, and clearing services across Africa and beyond—setting the standard for reliable, transparent, and customer-focused logistics solutions. We aim to be the partner of choice for businesses that demand consistency, accountability, and excellence in their supply chain operations. By continuously refining our services, adopting advanced technologies, and investing in our people, we strive to build a logistics ecosystem that not only delivers goods but also drives economic progress and market connectivity across borders.

At Peltrans, we envision a future where logistics is not a challenge, but a competitive advantage—where businesses can depend on our expertise and infrastructure to move goods seamlessly, expand into new territories, and meet customer demands with confidence. We are committed to being a logistics brand that is known not only for its operational efficiency, but for its integrity, innovation, and deep understanding of regional and international trade environments.

Our Services

At Peltrans, we offer a comprehensive range of logistics solutions designed to support businesses in achieving efficiency, reliability, and peace of mind throughout the supply chain. With over 15 years of experience, our services are built on a deep understanding of both local and international trade environments, allowing us to navigate complex logistics challenges with precision and confidence. With Peltrans, you gain more than a service provider—you gain a logistics partner committed to excellence, transparency, and the smooth flow of trade.

FREIGHT FORWARDING

Efficient and reliable coordination of international and regional shipments, ensuring goods move smoothly across borders and ports.

End-to-end management of logistics processes, including carrier selection, route optimization, and shipment tracking.

TRANSPORT

Secure and timely transportation of goods by road, tailored to meet the urgency, size, and nature of each consignment.

A well-organized fleet and experienced logistics team ensure safe handling and delivery from origin to final destination.

CLEARING

Professional handling of customs documentation and compliance to prevent delays and minimize clearance issues.

Strong working relationships with customs authorities to facilitate quick, cost-efficient import and export procedures.

PROCUREMENT

Sourcing and supplying of goods, equipment, and materials locally and internationally to meet client specifications and budgets.

Vendor coordination, quality assurance, and logistics integration to deliver complete procurement solutions under one roof.

Why Choose Peltrans
