ABOUT US

We manufacture COMPOSTABLE, BIODEGRADABLE, GRS CERTIFIED, LDPE, PP & BOPP, with HANGER BAGS and ROLLS with MULTI COLOUR PRINTING of outstanding qualities. We can supply wide varieties of poly bags with printing as per your requirement.

Ashwin Polyplast was established in the year 1993. By the year 1995 extruders, printing and cutting machines were installed. Production capacities were doubled by the year 2006.

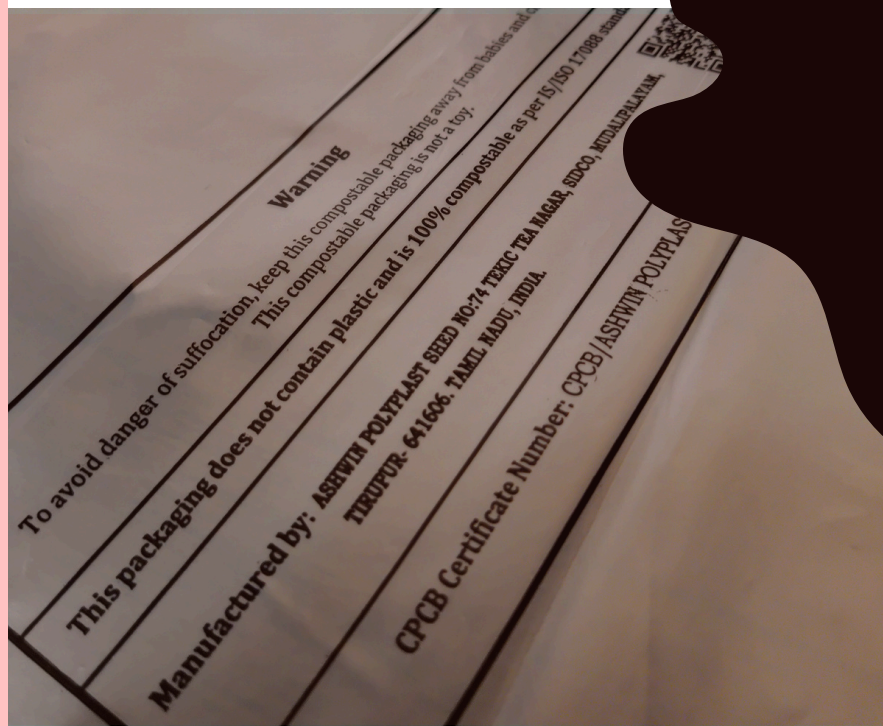

Being an addition one more unit were established in 2011 to increase the production capacity further. The present production capacity is about 4 Metric Ton / 3 lakh pieces per day.

By the year 2022 we took initiative towards sustainable future and started to manufacture compostable poly bags. In the year 2023 we installed plastic recycling plant which is used to recycle the waste, by which we became an GRS certified company.

Since 1993, for the past 3 decades we provide our customers with the highest satisfaction, by serving with high quality products.

Towards Sustainability

As a manufacturer, **ASHWIN POLYPLAST** is committed to provide only the highest quality products to our customers, but we also recognize the reality of the threats emerging to our mother nature, which spurs us towards the highest Global Recyclable Standards & Compostable materials with our team doing research & quality control using the advanced production facilities.

We ensure that even though our products are made out of recycled or compostable materials, the quality is not compromised & is at par or even better than products of virgin or conventional qualities.

We have joined the global initiative of supporting sustainable future, you can contribute your part too, by choosing our **GRS certified & Compostable bags** instead of the traditional polybags & coming under global family of the **LiFE** (Live For Environment) movement launched by our Hon'ble Prime Minister.

Choose Ashwin Polyplast for all your packaging needs and make a positive impact on the planet. Our products are eco-friendly, durable, and meet all relevant industry standards and regulations. We pride ourselves on our commitment to sustainability and reducing our environmental impact

“One Stop Solution for all your packaging needs”
