

Terrace Room

Put Your Terrace to Effective Use

How many times You Wished if You had one more room. May be during functions at home, whenever Guests come or just for children to concentrate on their studies quietly.

May be you wondered whether your foundation will bear one more massive permanent concrete structure on your terrace.

Time to think about an Innovative, Modular Building Concept made of Light Weight Spaceframe Structures

Anytime, Quickly Erect, Dismantle and Store, Relocate the Structure when it is no more needed, or even sell it.

Go with this concept that is environment friendly and Cost Effective.

Erected in a single day and ready to use Terrace room.

Spacious 10 ft X 10 ft or 20 ft X 10 ft
Even Bigger is possible.

(All structures May need Govt Permission)

Your Plot / Vacant Site can Earn for You

Your Plot or Vacant Site can earn for You.

May be you own a few House Sites at different Towns or Cities and definitely it is an asset as the value keeps growing.

Still, it is not out of your worries. Most importantly You may need to prevent encroachment. You can make these Vacant Plots earn for You with these Temporary, Modular, Relocatable Houses, Warehouses, PG Hostel etc..

You can relocate them when they are no more needed.

You can even sell them if you don't need.

A small investment can earn You regular Rental Income and also hence take care of Your Property.

Normally Erected in a Single Day, these structures are externally Aesthetic, Fully Functional for a comfortable living.

Made of Innovative Modular Spaceframe Structural System.

Modules of 10ft x 10ft

Your Dream Farmhouse can be a reality

You always wanted to build a Farmhouse but were concerned about cement, bricks and deep foundations that may spoil your Farmland permanently.

You might have been concerned about hassles of conventional construction.

Get a Farmhouse almost within a Day, however remote your Farm may be.

Our Modular Spaceframe Structure based Buildings are:

- Cost Effective
- Can be dismantled and stored
- Relocated
- Resold
- Environmental Friendly
