Shreemum Clothing's: Profile

Established in the year 2019, Shreemum Clothings is an MSME- certified manufacturer based in Delhi, specializing in high-visibility Rainwear's designed for industrial and safety applications. We produce high-quality Raincoats, Rainsuits, Jackets, Tracksuits and ponchos using durable Polyester and Nylon fabrics with high-visibility reflective tape for maximum safety in low-light conditions.

Shreemum Introduces High Visibility Waterproof Fluorescent Orange Rain suit with following features.

1. **Nylon PVC-Coated Fabric** emphasise its durability, water resistance, and lightweight properties.
2. **High-Visibility Reflective Tape** highlight its safety benefits, especially for industrial workers like Railways, cyclists, or anyone outdoors in low-light conditions.
3. **Heat Seam Tape** provide its role in ensuring 100% waterproofing by sealing seams all over and preventing water leakage, keeping users dry and comfortable.
4. **Safety Features** crafted in a striking bright orange colour, this rain suit features strategically positioned reflective stripes to keep you visible in any weather.
5. **Perfect for outdoor work**, emergency response, and activities that require enhanced visibility, this rain suit combines comfort with high functionality. Available in various sizes to ensure a perfect fit for everyone.

We proudly supply our products to major government and public sector organizations including Indian Railways, ONGC, NDRF, SDRF, BPCL, Delivery Partners, and others—meeting strict quality and compliance standards.

Why purchase from us:

- An Indian MSME Registered in Delhi
- A Manufacturing Company
- Gem OEM
- NSIC Membership
- ISO - 9001: 2015
- IS Certified Rainsuits
- Best quality products and perfect size with 100% satisfaction.
- Customize designs and various colours available of same style.
- LOGO - Printed
