Professional Summary

I graduated from University of Malaya in 1999 and obtained Master of Surgery from the National University of Malaysia in 2008. I went on to complete Board of Urology Malaysia Certification in 2012, and FRCS (Urol) (Glasg) from the Royal College of Physicians and Surgeons of Glasgow in 2013. I then undertook a 15-month fellowship in pediatric urology at the Royal Manchester Children's Hospital in 2013/14.

Since my return to Malaysia in 2015, I have worked in Selayang Hospital (2015-2017), Kuala Lumpur Hospital (2018 to present) and Tunku Azizah Hospital (2018 to present), providing the full range of emergency and elective pediatric urology services from neonates to adolescent patients with congenital conditions of the genitourinary tract, including urodynamic evaluation; as well as pediatric urology outreach services to Tengku Ampuan Rahimah Hospital and Tuanku Jaafar Hospital. In addition, I am fully involved in adult urology service in Kuala Lumpur Hospital, managing women with urological conditions, children who need transition care, microsurgical procedures, as well as patients with urinary tract stones, kidney and bladder cancer, and reconstructive procedures in patients with bladder and urethral conditions.
