North Louisiana Fly Fishers

Established in 1984

By Dave Whitlock

The North Louisiana Fly Fishers is a comprehensive flyfishing club:

Established in 1984, The NLFF is affiliated with Fly Fishers International and is composed of a core group of very experienced fly fishers. In addition to this group of experienced fly fishers is a large population of intermediate fishermen. Most importantly, the NLFF club has a healthy contingent of people just learning how to fly fish who are members of the club. No matter what your skill level, you are welcome to join. The goal is to help each other in the sport. The goal is also to enjoy the magnificent fly fishing journey. The sport can refresh the soul, mind and spirit. Come join us on the journey.

6 Main components of the NLFF:

- 1) **Education:** We teach all aspects of skills and techniques associated with fly fishing. Casting, rod assembly, knots, fly ID courses, line management, gear reviews, and safe wading are just a few of the topics addressed.
- 2) **Destination Programs:** We provide programs and lectures on ideal locations to fly fish. Secret locations, easy wading river bottoms, rivers, ponds, lakes and streams are all presented. Some close, some more distant. We also share current fishing reports.
- 3) **Fishing Trips:** We organize trips to rivers, streams, ponds and lakes. We fish cold water and warm. We even offer salt water trips.
- 4) **Fly Tying:** We offer complete fly tying instruction. We provide you all the tools you need to tie you own fly, plus a one on one instructor.
- 5) **Social Activity and Community involvement:** The NLFF has given back to the community with involvement in Veterans Projects, Reel Recovery, Refuge summer camps, and more.
- 6) **Travel:** We support, participate, and travel to regional fly fishing conventions, and gatherings.

1st Tuesday of the month at 5 PM: Brews and Bugs at Great Raft Brewery

1251 Dalzell St, Shreveport LA 71104

Come out for a relaxing start to the month tying flies with your friends in a classy environment. This is the perfect time to practice tying what is taught at the 3rd Thursday formal fly tying lesson. But you can tie whatever you like. This is also a good time to ask for help with any techniques you wish to master. Alcoholic and nonalcoholic drinks are available. A food truck is on site with tasty sandwiches and chicken offerings.

3rd Thursday Monthly Formal Fly Tying Lesson:

Come join us for an enjoyable evening of fly tying at Bass Pro on the 3rd Thursday of each month at 6:30 PM. If you are new to fly tying this is a great place to start. We provide you with a vise, tools and materials to tie your first few flies. If you are an experienced fly tyer, come and demonstrate your skill. We always enjoy sharing new and different techniques.

The fly tying session is organized in a lesson format. An instructor chooses a fly that is a guaranteed fish catcher in the Ark-La-Tex. The lesson follows the process of constructing the fly step by step. An experienced floater tyer is available for those that desire a little extra assistance.

It is the charge of the North Louisiana Fly Fishers to afford the general public and our members in particular, a better understanding of Fly Fishing, Fly Tying, and Rod Building. We wish to perpetuate the sport as a most pleasurable and exciting fishing method and provide education, instruction and the opportunities for relaxation to the membership.

The North Louisiana Fly Fishers (NLFF) Club serves the Ark-La-Tex area surrounding Shreveport. As the closest cold water fishery, we consider the Little Missouri (Little' Mo) River near Murfreesboro, AR our home waters. We also fish the local rivers and lakes. We even have a growing group of kayak fishermen that, as well as the local rivers and lakes, will fish the gulf coast marshes for some saltwater action!

We meet the second Tuesday of every month at the Red River Wildlife Refugee (150 Eagle Bend Point, Bossier City, LA). Meeting starts at 6 pm, tie flies and practice casting when the weather permits. See you there!

May NLFF outing...

Bring your spouse!

Flies & Fleas

Located at Purvis Creek State Park in Texas (southeast of Canton)

This is a truly unique outing. It takes place on one of the most well managed warm water lakes in America. The fishing is phenomenal.

We combine this with the option to attend the largest flea market in the world, the First Monday Trade Days in Canton TX. (Thursday May 29th).

Most members will arrive on Tuesday May 27th and stay 3 nights. They will depart Friday May 30th. Camping is available at the state park. Hotels are nearby for those without campers.

This is a mid-week trip due to the fact the an outdoor organization has booked the campground many weekends.

But the lake is fantastic for mid-week fishing. It will not be crowded.

June NLFF Outing...

Wet Wade

Kisatchie Bayou

Kisatchie Bayou is an anomaly in Louisiana. It looks like it belongs in a far away state. Its only a 90 minute drive. Waterfalls, white sand, clear cool water. It's stunning. To top it off, it is breaming with fish. All you need are some old tennis shoes, a swimsuit, and your flyrod.

We will meet at the Home Depot in South Shreveport at 8 AM. We will caravan to the Bayou. Pack a picnic lunch. We will fish until about 2 or 3 pm. Then return to Home Depot by 5 PM. It's a day trip.

When: June 21st at 8 AM Where: Meet at Home Depot
