First FFI Affiliated Club in Louisiana

North Louisiana Fly Fishers

Established in 1984

By Dave Whitlock

The North Louisiana Fly Fishers is a comprehensive flyfishing club:

Established in 1984, The NLFF is affiliated with Fly Fishers International and is composed of a core group of very experienced fly fishers. In addition to this group of experienced fly fishers is a large population of intermediate fishermen. Most importantly, the NLFF club has a healthy contingent of people just learning how to fly fish who are members of the club. No matter what your skill level, you are welcome to join. The goal is to help each other in the sport. The goal is also to enjoy the magnificent fly fishing journey. The sport can refresh the soul, mind and spirit. Come join us on the journey.

6 Main components of the NLFF:

- 1) **Education:** We teach all aspects of skills and techniques associated with fly fishing. Casting, rod assembly, knots, fly ID courses, line management, gear reviews, and safe wading are just a few of the topics addressed.
- 2) **Destination Programs:** We provide programs and lectures on ideal locations to fly fish. Secret locations, easy wading river bottoms, rivers, ponds, lakes and streams are all presented. Some close, some more distant. We also share current fishing reports.
- 3) **Fishing Trips:** We organize trips to rivers, streams, ponds and lakes. We fish cold water and warm. We even offer salt water trips.
- 4) **Fly Tying:** We offer complete fly tying instruction. We provide you all the tools you need to tie you own fly, plus a one on one instructor.
- 5) **Social Activity and Community involvement:** The NLFF has given back to the community with involvement in Veterans Projects, Reel Recovery, Refuge summer camps, and more.
- 6) **Travel:** We support, participate, and travel to regional fly fishing conventions, and gatherings.

Come out for this relaxing and enjoyable monthly break from the normal routine. Bring you spouse or significant other. If they do not tie flies, they are welcome to take along any craft they enjoy. It could be sewing, crocheting, painting... Anything. The point is just to get together and enjoy each other's company. Discount beverages offered to all that tie flies. A food truck is on site with sandwiches and bbq dishes. Beat the traffic rush and arrive at 5 PM.

When: Tues. March 3rd 5-8 PM

1st Tuesday of each month at 5 PM

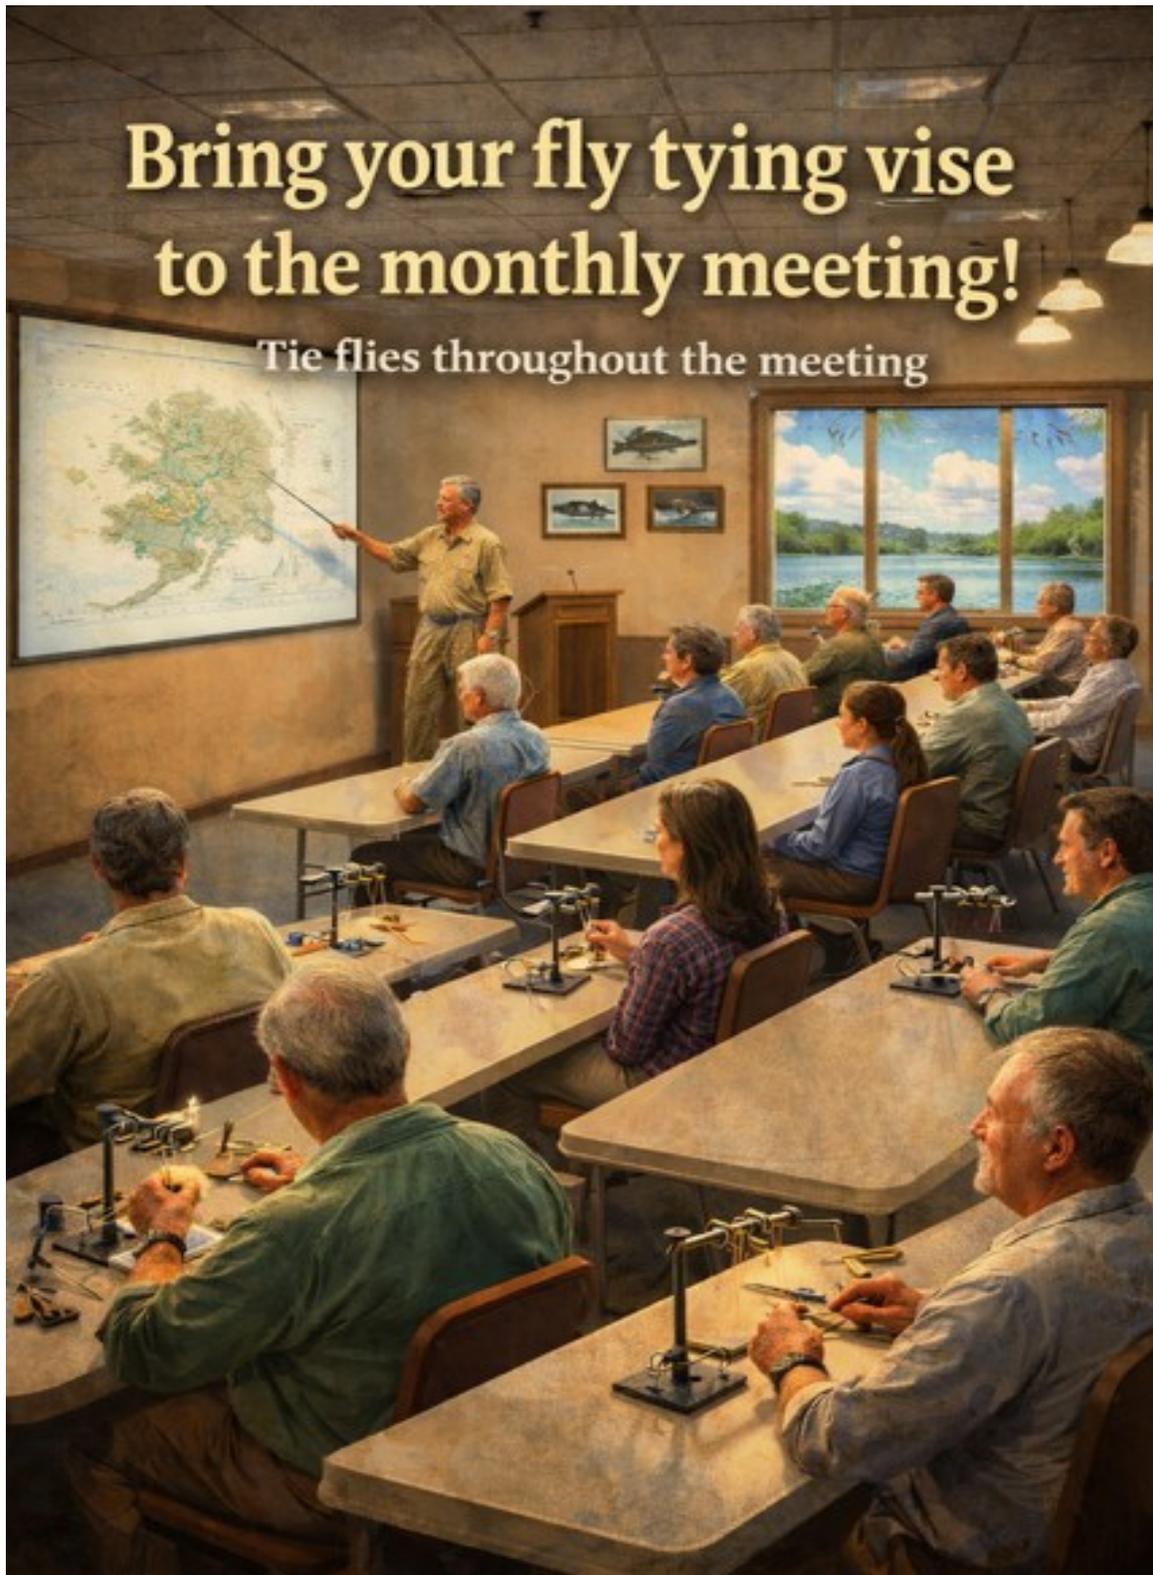

Where: 1251 Dalzell St, Shreveport 71104

Helpful information on how we program our fly fishing meetings:

We Strive for each of our regular club meetings to have something for everyone. We do not want to waste your time. We need you at the meeting, and we want to make the monthly meeting worth your while to attend.

Each meeting will have two components:

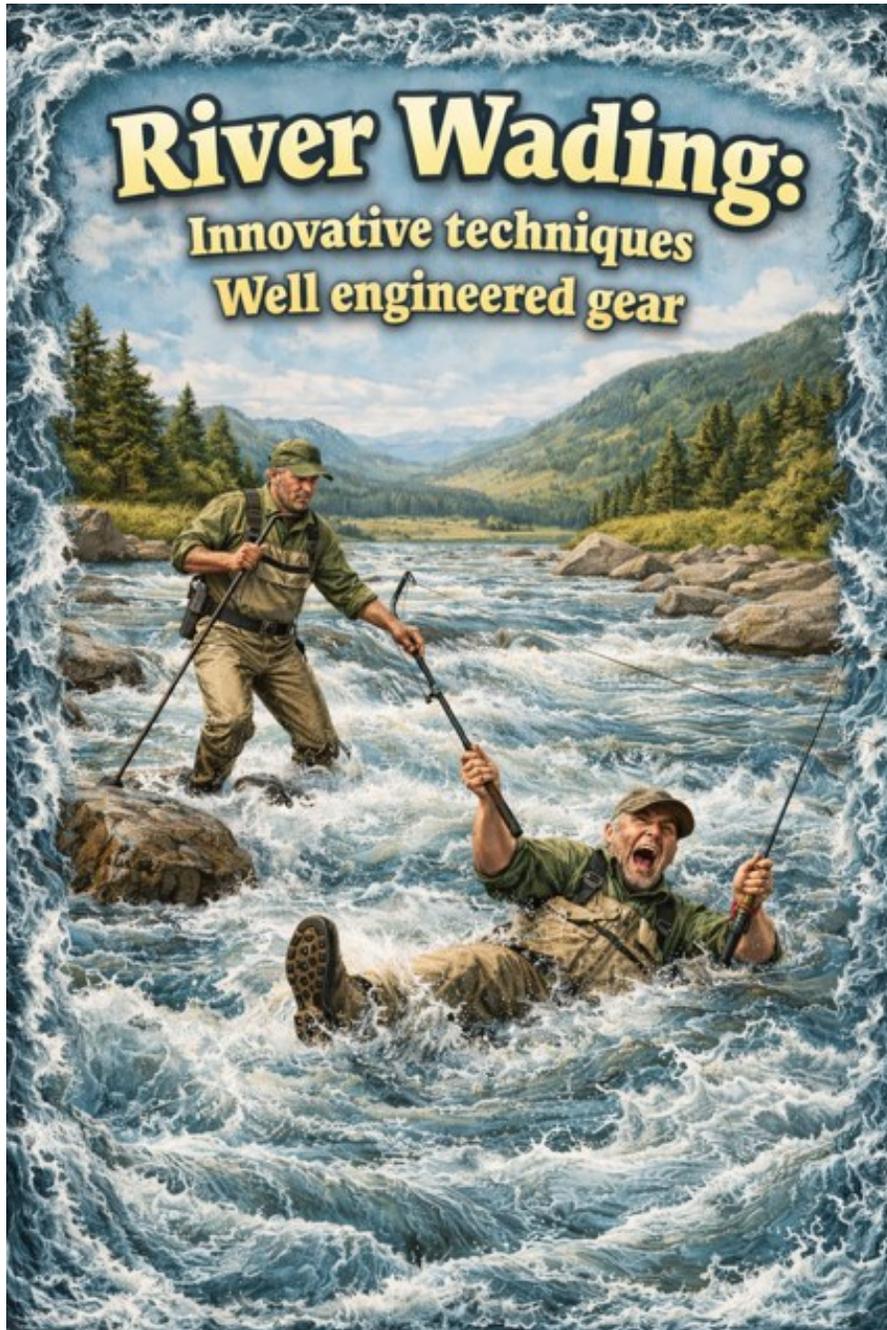

- 1) **Technical** This is very often a practical topic to help you have a more enjoyable day on the water. For example, it might focus on handy knots to tie, more efficient ways to cast, The best leader and tippet designs. Anything to help you at the ground zero level of fly fishing.
- 2) **Inspirational** This portion of the meeting is often on fly fishing destinations. They may be local, regional, or more distant. But we try to make it a practical trip for you to embark upon. It could also be about the Red River Refuge or other topics such as conservation. This portion of the meeting is like a little vacation in the middle of the week for your mind. Hopefully it excites you to get out there and cast a line in the beautiful water that surrounds Northwest Louisiana.

As I travel to other fly fishing clubs I have observed an interesting element of other fly club meetings: Fly Tying throughout the meeting. This brings a whole new element of depth to a fly fishing meeting. It may be a little quirky, it is interesting, it can be beautiful and can help others in their tying journey. The meeting room will be open early (at 5:30). Bring your vise and set up. Then tie the evening long!

March 10th Meeting Double Header!

Part 2 of March 10th Meeting:

You do not want to miss this helpful and information packed meeting. Gear will be demonstrated. Links will be shared. Your mind will go wild with interesting and beneficial thoughts.

Fly Tying Lesson At Bass

Always the next to last Thursday of the month

Bonus: Come at 5 PM for an hour of casual fly tying. Lesson starts at 6 PM

Parachute Adams by Lee Hartman

There is nothing more fun than fishing during a time when trout are sipping flies off the surface of the water. The Parachute Adams is the perfect fly for that exact situation. **Beginners:** This is not a beginner fly, however, Lee Hartman is technically a beginner. He has been tying flies a full 30 days. If he can do it, you can do it. But I would say, you should at least be able to tie a Woolly Buzzer on your own in order to have an enjoyable time tying a Parachute Adams. So if you are new to fly tying, pull up a YouTube video on how to tie a Woolly Buzzer, tie 4 or 5. By the 6th fly you will have confidence. Come and tie the Parachute Adams. **Advanced Tyers:** Come to this lesson. You will learn some new techniques and be challenged. If you need equipment, we will have everything you need to tie this fly.

Cost: There is no cost to you

When: Thursday March 19th at 6 PM

Where: Bass Pro in the fly shop

Mind blowing trip to the Northwest! By Chris Horsley

May 12th Monthly Meeting

God created Southwest Arkansas with beautiful mountains, valleys and streams. The State of Arkansas has turned the whole region into a playground for fly fishermen and outdoor enthusiasts.

Come and hear Rush Clay speak on this geologic gem located right in our backyard. There is a lot more to it than a few access points on the Little Missouri for trout fishing.

We meet the 2nd Tuesday of each month at the Red River Refuge in the Conservation Conference Center at 6 PM. Bring your fly tying equipment to meetings and come tie flies.

1st Tuesday of the month at 5 PM: Brews and Bugs at Great Raft Brewery

1251 Dalzell St, Shreveport LA 71104

Come out for a relaxing start to the month tying flies with your friends in a classy environment. This is the perfect time to practice tying what is taught at the next-to-last-Thursday Formal Fly Tying Lesson (held at Bass Pro). But you can tie whatever you like. This is also a good time to ask for help with any techniques you wish to master. Alcoholic and nonalcoholic drinks are available. A food truck is on site with tasty sandwiches and chicken

Next to last Thursday: Monthly Formal Fly Tying Lesson at Bass Pro:

Come join us for a enjoyable evening of fly tying at Bass Pro on the next to last Thursday of each month at 6:00 PM. . If you are new to fly tying this is a great place to start. We provide you with a vise, tools and materials to tie your first few flies. If you are an experienced fly tyer, come and demonstrate your skill. We always enjoy sharing new and different techniques.

The fly tying session is organized in a lesson format. An instructor chooses a fly that is a guaranteed fish catcher in the Ark-La-Tex. The lesson follows the process of constructing the fly step by step. An experienced floater tyer is available for those that desire a little extra assistance.

It is the charge of the North Louisiana Fly Fishers to afford the general public and our members in particular, a better understanding of Fly Fishing, Fly Tying, and Rod Building. We wish to perpetuate the sport as a most pleasurable and exciting fishing method and provide education, instruction and the opportunities for relaxation to the membership.

The North Louisiana Fly Fishers (NLFF) Club serves the Ark-La-Tex area surrounding Shreveport. As the closest cold water fishery, we consider the Little Missouri (Little' Mo) River near Murfreesboro, AR our home waters. We also fish the local rivers and lakes. We even have a growing group of kayak fishermen that, as well as the local rivers and lakes, will fish the gulf coast marshes for some saltwater action!

We meet the second Tuesday of every month at the Red River Wildlife Refuge (150 Eagle Bend Point, Bossier City, LA). Meeting starts at 6 pm, tie flies and practice casting when the weather permits. See you there!

NLFF

Outings.....

A little bit about NLFF fishing outings...

Variety:

At the NLFF we strive to have outings perfect for everyone, no matter what their skill level. Some trips are more challenging than others. Some require no special equipment, just a swim suit and tennis shoes. Some require waders and wading equipment, some are best enjoyed in a kayak. Some offer pier fishing and no special equipment at all is required.

Length of time:

Many of our club outings are day trips. Some are overnight trips during the weekend. Some are 2 or 3 night trips. From time to time we schedule trips mid-week if required due to conflicting events. Often mid-week trips avoid weekend crowds.

Distance:

Some trips are local, some are a easy drive appropriate for a day trip such as Jefferson TX or Kisatchie Bayou. Some trips are over night. Most trout trips are over-night. Some trips are 2 and 3 nights at more distant locations such as the Little Red at Heber Springs.

There is a trip for everyone. Some go to them all. Join the adventure!
