# **The North Louisiana Fly Fishers is a comprehensive flyfishing club:**

Established in 1984, The NLFF is affiliated with Fly Fishers International and is composed of a core group of very experienced fly fishers. In addition to this group of experienced fly fishers is a large population of intermediate fishermen. Most importantly, the NLFF club has a healthy contingent of people just learning how to fly fish who are members of the club. No matter what your skill level, you are welcome to join. The goal is to help each other in the sport. The goal is also to enjoy the magnificent fly fishing journey. The sport can refresh the soul, mind and spirit. Come join us on the journey.

## **6 Main components of the NLFF:**

- 1) **Education:** We teach all aspects of skills and techniques associated with fly fishing. Casting, rod assembly, knots, fly ID courses, line management, gear reviews, and safe wading are just a few of the topics addressed.
- 2) **Destination Programs:** We provide programs and lectures on ideal locations to fly fish. Secret locations, easy wading river bottoms, rivers, ponds, lakes and streams are all presented. Some close, some more distant. We also share current fishing reports.
- 3) **Fishing Trips:** We organize trips to rivers, streams, ponds and lakes. We fish cold water and warm. We even offer salt water trips.
- 4) **Fly Tying:** We offer complete fly tying instruction. We provide you all the tools you need to tie you own fly, plus a one on one instructor.
- 5) **Social Activity and Community involvement:** The NLFF has given back to the community with involvement in Veterans Projects, Reel Recovery, Refuge summer camps, and more.
- 6) **Travel:** We support, participate, and travel to regional fly fishing conventions, and gatherings.

As I travel to other fly fishing clubs I have observed an interesting element of other fly club meetings: Fly Tying throughout the meeting. This brings a whole new element of depth to a fly fishing meeting. It may be a little quirky, it is interesting, it can be beautiful and can help others in their tying journey. The meeting room will be open early (at 5:30). Bring your vise and set up. Then tie the evening long!

# Helpful information on how we program our fly fishing meetings:

We Strive for each of our regular club meetings to have something for everyone. We do not want to waste your time. We need you at the meeting, and we want to make the monthly meeting worth your while to attend.

## Each meeting will have three components:

- 1) **Technical** (6 to 7PM) This is a very practical topic to help you have a more enjoyable day on the water. For example, it might focus on handy knots to tie, more efficient ways to cast, The best leader and tippet designs., etc.. Anything to help you at the ground zero hands-on level of fly fishing.
- 2) **Club Business** (approximately 7PM to 7:15 PM)
- 3) **Inspirational** ( Starts at approximately 7:15 PM) This portion of the meeting is often on fly fishing destinations. They may be local, regional, or more distant. But we try to make it a practical trip for you to embark upon. It could also be about the Red River Refuge or other topics such as conservation. This portion of the meeting is like a little vacation in the middle of the week for your mind. Hopefully it excites you to get out there and cast a line in the beautiful water that surrounds Northwest Louisiana.

All scheduled times are subject to shift a bit. Just come at 6 PM and enjoy the evening.

## Recurring Events:

### Monthly Meetings: 2nd Tuesday of the Month at Refuge. (Except Oct.. That is our annual banquet and is at Shanes on Mansfield Rd)

This is the perfect time to practice tying what is taught at the next-to-last-Thursday Formal Fly Tying Lesson (held at Bass Pro). But you can tie whatever you like. This is also a good time to ask for help with any techniques you wish to master. Alcoholic and nonalcoholic drinks are available. A food truck is on site with tasty sandwiches and chicken

### Next to last Thursday: Monthly Formal Fly Tying Lesson at Bass Pro:

Come join us for a enjoyable evening of fly tying at Bass Pro on the next to last Thursday of each month at 6:00 PM. . If you are new to fly tying this is a great place to start. We provide you with a vise, tools and materials to tie your first few flies. If you are an experienced fly tyer, come and demonstrate your skill. We always enjoy sharing new and different techniques.

The fly tying session is organized in a lesson format. An instructor chooses a fly that is a guaranteed fish catcher in the Ark-La-Tex. The lesson follows the process of constructing the fly step by step. An experienced floater tyer is available for those that desire a little extra assistance.

It is the charge of the North Louisiana Fly Fishers to afford the general public and our members in particular, a better understanding of Fly Fishing, Fly Tying, and Rod Building. We wish to perpetuate the sport as a most pleasurable and exciting fishing method and provide education, instruction and the opportunities for relaxation to the membership.

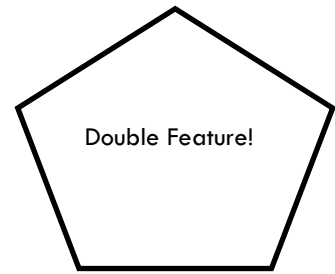

The North Louisiana Fly Fishers (NLFF) Club serves the Ark-La-Tex area surrounding Shreveport. As the closest cold water fishery, we consider the Little Missouri (Little' Mo) River near Murfreesboro, AR our home waters. We also fish the local rivers and lakes. We even have a growing group of kayak fishermen that, as well as the local rivers and lakes, will fish the gulf coast marshes for some saltwater action!

We meet the second Tuesday of every month at the Red River Wildlife Refuge (150 Eagle Bend Point, Bossier City, LA). Meeting starts at 6 pm, tie flies and practice casting when the weather permits. See you there!

**Outings.....**

# A little bit about NLFF fishing outings...

## Variety:

At the NLFF we strive to have outings perfect for everyone, no matter what their skill level. Some trips are more challenging than others. Some require no special equipment, just a swim suit and tennis shoes. Some require waders and wading equipment, some are best enjoyed in a kayak. Some offer pier fishing and no special equipment at all is required.

## Length of time:

Many of our club outings are day trips. Some are overnight trips during the weekend. Some are 2 or 3 night trips. From time to time we schedule trips mid-week if required due to conflicting events. Often mid-week trips avoid weekend crowds.

## Distance:

Some trips are local, some are a easy drive appropriate for a day trip such as Jefferson TX or Kisatchie Bayou. Some trips are over night. Most trout trips are over-night. Some trips are 2 and 3 nights at more distant locations such as the Little Red at Heber Springs.

There is a trip for everyone. Some go to them all. Join the adventure!
