# ABOUT US

We started Progressive Krita Exim Private Limited. (Construction Company), an organization dedicated towards the field of construction since 2018. Offering the best of our services, the principle objective of our firm is to offer the top-notch construction in a stipulated period. A team of talented Engineers, rich in experience possessing creative imagination and the power of self-decision serving at the best of their capabilities drive towards enhanced constructions.

With commendable time-longevity, we have been dealing with the civil and civil related works like land development, building construction, structural fabrication work, roofing works, plumbing and drainage works and many more.

We have with us a fully computerized infrastructure enabling us fast and accurate project management reports, progress charts, bar charts, daily site progress report preparations for precise execution on site. State-of-the-surveying equipments and infrastructures enable us to provide our clients with the best.
