SCHOOL NON-FORMAL

Praise the Lord, the children remain faithful in attending lessons at the Nias Christian Center. Even though they only return home from school around 4 or 5 in the afternoon, they still make time and commit themselves to join the lessons at our center.

They stay enthusiastic and continue to show great spirit, without showing signs of weariness. This brings us joy and encouragement to keep serving and supporting them in their learning journey.

CELL GROUP

"In the course of their spiritual development, the children have begun to grasp and deeply reflect on the meaning and significance of God's Word in their lives."

Learning Guitar

"The children looked enthusiastic while reading books at the Nias Christian Center Library. This activity helps to cultivate a love for reading and broaden their knowledge."

READ THE BIBLE

As part of their spiritual routine, the children engage in regular Bible reading before commencing communal worship. This practice nurtures in them a deeper love and reverence for the Word of God. The Bible is not merely a religious text, but the supreme source of wisdom—knowledge above all knowledge—which holds profound importance for every dimension of human life.

WATCHING TOGETHER

The children can watch together a Christian film that tells the story of human sin and the forgiveness offered by Jesus Christ. Through this film, they are encouraged to understand that every sin they commit can be forgiven by God, as long as they humbly confess their sins and truly repent.
