MINISTRY REPORT
DESEMBER, 2025 - JANUARI 24, 2026

SCHOOL NON-FORMAL

TUTORING LESSONS IN HILIOFONALUO VILLAGE

All praise and gratitude be to God, the Creator of heaven and earth and all that is in them. God has blessed and accompanied our ministry, especially in Hiliofonaluo Village. As we approach three years of service there, God has entrusted us with the opportunity to take part in guiding and nurturing the children in that village.

In 2026, we will no longer carry out our ministry in Hilofomelu Village, as the house rental contract there has ended. We are now focusing our ministry in a new location, namely at the Christian Center, in the building that has been constructed. Our focus is on nurturing the children there, with a particular emphasis on opening a school this year.

SCHOOL NON-FORMAL

TUTORING LESSONS IN HILIANA'A VILLAGE

Praise be to God, the NCC tutoring ministry in Hili Ana Village has been running for six months. The number of children we have been mentoring continues to grow, and they are showing remarkable progress. The materials they have learned are well understood and are very beneficial for their school studies.

The children are now very happy because they have a place to learn to read, namely a library, as well as a place to play while waiting for their parents to pick them up. They make good use of this time by reading books and playing together.

BIBLE READING AND SHARING

Some parents have shared that their children were very reluctant to read the Bible. Through the mentoring program at NCC, we teach the children to love the Bible by reading it every day. This week, they read one chapter of the Bible

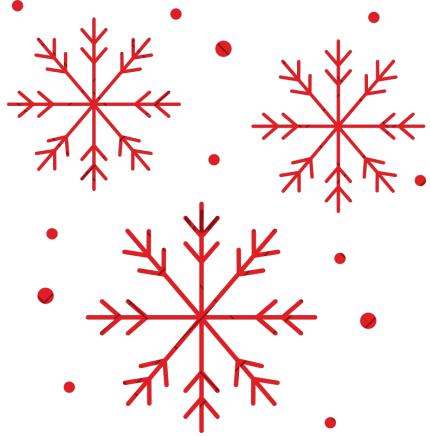

SOCIAL OUTREACH FOR FLOOD AND LANDSLIDE VICTIMS

One month ago, natural disasters occurred, particularly in Sumatra, resulting in many damaged homes and loss of lives. In Nias, praise God, there were no fatalities. However, several houses were affected by landslides, some collapsed, and many are no longer suitable for living.

Due to these circumstances, many people are struggling to meet their daily needs. The cost of living has increased significantly because the supply of food and basic necessities entering Nias is limited, causing prices to rise sharply. As a result, many families—especially those who are economically disadvantaged—are facing great hardship, as their financial resources are very limited while the prices of basic needs continue to increase.

To this day, the network in Nias remains unstable due to the impact of the previous floods and landslides.

CHRISTMAS AND NEW YEAR CELEBRATION

Praise God, the Christmas celebration and New Year thanksgiving with the parents and students of the tutoring program went well. They were very grateful and gathered in fellowship to praise and glorify the name of God. On this occasion, we also shared and introduced the NCC ministry that we will carry out in the future, especially in the field of education and schooling.

A photograph on the left side of the slide shows a group of women standing in a line, their eyes closed in prayer. They are dressed in formal attire, including a light blue lace dress and a dark blue patterned top. The background is a plain, light-colored wall.

PRAAYER POINTS

- 1. PRAY FOR THE TEAM IN NIAS AND THE CHILDREN, THAT GOD WILL CONTINUALLY PROTECT THEM, KEEP THEM HEALTHY, GIVE THEM STRENGTH IN ALL THEIR ACTIVITIES, AND KEEP THEM SAFE FROM ILLNESS AND DANGER.**
- 2. PRAY FOR THE PROCESSING OF DOCUMENTS FOR THE SCHOOL OPENING, THAT ALL ADMINISTRATIVE PROCEDURES MAY RUN SMOOTHLY, ORDERLY, AND ON TIME, WITHOUT ANY OBSTACLES OR DIFFICULTIES.**
- 3. PRAY FOR THE SCHOOL OPENING THIS YEAR, THAT GOD WILL OPEN THE HEARTS OF MANY PARENTS TO ENTRUST THEIR CHILDREN'S EDUCATION, SO THAT MANY CHILDREN WILL BE ENROLLED AND THE SCHOOL MAY GROW WELL.**
- 4. PRAY FOR THE EFCI FOUNDATION, THAT GOD WILL CONTINUE TO GUIDE AND BLESS EVERY MINISTRY, SO THAT THE FOUNDATION MAY BECOME A BLESSING, BRING POSITIVE IMPACT, AND BE A LIGHT TO THE PEOPLE OF SOUTH NIAS.**
