Weekly Report

January, 26th - February 01
2026

SCHOOL NON-FORMAL

Praise the God, throughout this past week the tutoring activities for the children have run well, and the number of participants has even increased; although some of the children are not yet able to read, we as a team in the field patiently guide and teach them step by step, so that these children can gradually learn to read and write with greater confidence and enthusiasm.

RED THE BIBLE

Praise God, the Bible Reading and Exploration activity for the children has been running well, during which the children are taught how to open the Bible properly and how to understand and distinguish between chapters and verses in the Bible, so that they become more familiar with God's Word in a structured and enthusiastic way. Through this activity, the children are also trained to read Bible verses independently and to confidently mention the passages they read. In addition, a joyful learning atmosphere helps the children become more interested in learning and loving God's Word from an early age.

WORSHIP TOGETHER

Praise God, the worship service for the children's has been running well, and several children also bravely shared their testimonies about how great God's love is in their lives, making the service filled with joy, faith, and gratitude to God. Through these testimonies, the children encourage one another and learn to rely on God in every situation. In addition, this worship service becomes a means for the children to grow in faith and draw closer to God from an early age.

food program

Praise the God, the food program for the children has been running well, and the children's are very happy because they are able to eat together in a warm and joyful atmosphere. Through this activity, the children also learn about sharing, togetherness, and gratitude for God's blessings

Social outreach conducted to introduce the Foundation and NCC to the community

Praise the God, through the distribution of food packages to the surrounding community, many residents were happy and grateful for our visits to their homes. During this opportunity, we also introduced the Foundation and shared our plan to open a school this year. Through the food distribution, the community also learned that NCC offers tutoring programs, and after learning this, their children began coming to study.

PRAYER POINTS

- 1. Pray for the ministry team in Nias and for the children, that God will continually keep them healthy, strong, and enthusiastic in every aspect of their service.**
- 2. Pray for the EFCI Foundation, that God will always grant unity, harmony, and wisdom in carrying out the ministry.**
- 3. Pray for the entire process of handling documents and administrative matters, that everything may proceed smoothly, orderly, and according to God's will.**
- 4. Pray for the opening of the school this year, that God will guide all preparations so everything runs well, and that many hearts will be moved to enroll their children.**
- 5. Pray for the plans to continue the construction, that throughout the entire process the Lord Jesus will bless it abundantly, providing financial resources, strength, and all that is needed.**
