Weekly Report
July, 07th – 13th 2025

SCHOOL NON FORMAL

Praise the Lord, even during the school holidays, the children remain enthusiastic and actively attend their lessons. They don't see the break as a reason to stop learning, but instead show a strong commitment to keep growing. We are grateful for their eagerness to learn and for the support of the parents who continue to accompany them. May this spirit stay alive and become a strong foundation for their future.

LEARNING THE GUITAR ✨

Praise the Lord, the guitar lessons for the children continue to run smoothly and with great enthusiasm. Many of them have shown remarkable progress, not only in their guitar skills but also in their attitude and spirit of service. In fact, some children have already begun to serve in the church through music, becoming a blessing to the congregation and growing stronger in their faith. We are grateful for this opportunity, as through the talents God has given them, the children can be used to glorify His name.

READ THE BIBLE

Praise the Lord! Through the Bible Study (Baca Gali Alkitab) activities, the children have shown remarkable progress in understanding God's Word. They are now able to distinguish between chapters and verses, as well as recognize the difference between the Old Testament and the New Testament. This growth is a clear sign that with proper guidance and an open heart, children can continue to grow in their knowledge of God and His Word.

WORSHIP TOGETHER

Praise the Lord, besides their learning activities, the children also regularly participate in weekly worship gatherings so that their faith and spirituality can grow deeper and they can know God more intimately; through these worship sessions, they study God's Word, pray together, and build fellowship and friendships that strengthen their spirit of faith, enabling them to become a strong generation ready to serve God in the future.

PRAYER POINTS

Pray for the team in Nias and the children who are starting the new school year, that the children we mentor may be a blessing wherever they are and continue to grow in faith and knowledge.

Pray that the foundation team will always be united in heart, share the same spirit, and be blessed in the progress of the ministries of EFC INDONESIA and Nias Christian Center.

Pray for the continuation of the construction of the Nias Christian Center school building, that God would ease every process, both financially and for the workers involved, so that the construction can proceed smoothly according to plan.
