WEEKLY REPORT
OCTOBER, 20TH - 26TH 2025

SCHOOL NON-FORMAL

Praise the Lord, within this past week, the children have shown remarkable progress in their learning. Those who previously struggled with writing, reading, and basic arithmetic are now beginning to grasp these skills. It is truly heartwarming to witness their dedication and improvement each day.

Although the learning process requires patience and effort, including going from one desk to another to provide individual guidance, every challenge feels worthwhile when seeing their enthusiasm and determination. This progress is not only a testament to their growing abilities but also a reminder that consistent support and encouragement can lead to significant change. Praise the Lord for these achievements, and may the children continue to grow in knowledge and confidence.

READ THE BIBLE

Bible reading and study (BGA) play a crucial role in children's spiritual growth, helping them understand God's Word and apply it in their daily lives. By reading the Bible, children not only gain knowledge about God but also develop a strong foundation of faith that shapes their character. However, simply reading is not always enough, as they may easily forget what they have learned. Writing down key Bible verses and lessons in a notebook helps reinforce their understanding and allows them to reflect on God's teachings more deeply. This habit encourages them to internalize the message and find ways to live according to God's will.

Keeping a record of their Bible study also fosters spiritual discipline and creates a personal collection of insights they can revisit over time. By consistently writing, children build a lasting connection with God's Word, making it easier for them to recall and apply it in their daily decisions. Over time, this practice strengthens their faith and helps them develop a closer relationship with God. As they continue to read, study, and write, God's Word becomes deeply rooted in their hearts, guiding them to grow in wisdom and live a life that reflects His love and truth.

WORSHIP TOGETHER

Praise the Lord, the children's worship service was filled with joy and enthusiasm. The children praised and worshiped God with sincere hearts and eagerly learned His Word. May through this worship, they continue to know more of God's love and grow in their faith each day. Every song of praise lifted brought new joy and encouragement to their hearts. May this worship continue to be a blessing and nurture their love for the Lord Jesus.

FOOD PROGRAM

Praise the Lord, the children's food program went well and was filled with joy. The children enjoyed every meal provided with gratitude and happiness. Through this program, not only were their physical needs met, but God's love was also made evident in their fellowship. May this program continue to be a blessing and nurture compassion and love among the children. May each activity help them realize even more how great God's love and guidance are in their lives.

PRAYER POINTS

- 1. Pray for the health of the childrens and team on Nias.**
- 2. Pray for the weather on Nias where it has been raining for the past week.**
- 3. Pray for the school opening plan and recruitment of teachers**
- 4. Pray for the construction process of the NCC building and the workers**
