SUMMARY:

I am a friendly, energetic and confident individual with a wealth of experience working as part of a team and having a responsible and committed approach to any tasks I am presented with. I have worked on a number of theatre and film productions and have exceptional communication skills paired with a dedicated and motivated attitude on set. I am passionate about working in film and TV as a production runner as it is a fast-moving environment that I love and excel in.

WORK EXPERIENCE:

In-House Production Runner

Marshall Street Editors, London - 08/23

- Working at a renowned edit house in central London, delivering a high-quality, personal experience to clients and customers.
- Responsible for overseeing the office, working alongside a team of in-house editors and providing assistance with a variety of tasks.

Production Assistant / Runner

Scalpel & Mack Films, London - 06/22- 09/23

- Working as a production runner on film sets, documentaries and high-end commercials, both in studios and on location.
- Employed to proofread scripts and make notes on internally & externally generated decks for pitching processes.
- Collating background research for pitches to external clients and creating presentations including research and design using Adobe Express and Powerpoint.

Film Director

Freelancer - 06/23 - Present

- Managing a diverse film crew, rehearsing actors, shot-listing, location scouting, scheduling and fulfilling shoot days.
- Overseeing productivity whilst effectively managing time and providing creative problem-solving solutions.
- Demonstrating friendly leadership skills to take projects from pre-production to shoot, post-production and final delivery.
- Communicating with all HoDs to fully realise the projects vision.

QUALIFICATIONS:

University of Manchester - 09/22 - 06/25

Graduated with First Class Honours in English
