# Horse Spot: Making NEW Entries

To enter a new horse into a show, make your way to the shows webpage (you can find a direct link at **entermywalkinghorse.com**) and click on ADD ENTRY.

Click on the Horse field and select the horse you want to enter (from your database OR + NEW to add a new horse.  Do the same for Owner, Trainer, and Riders.

**NOTE:  If this horse is going to show multiple times with different riders, be sure to ADD ALL possible riders on this screen.   After you select your first rider, you will click ADD RIDER to select additional riders.**

**Once all the information in complete, click on CONTINUE.**

**Select the (A) rider you want to enter and then (B) TYPE in the class number (or name) and (C) select the actual class when it populates. Once you select the class, (D) it will populate on the left side with the name of the rider. You can change riders and select a different class and the left side will show all classes the horse is entered in and the rider for each class.**

**Once you have selected all the classes, you will click on CONTINUE to take you to the next page where you can "CHECKOUT". Checkout simply submits the entries to the show.**

# Horse Spot: Adding Classes to Existing Entry
