ABOUT COMPANY

Dwibangun Perkasa Mandiri was established in 2022 to support constructions work on the site. Specializing in chemical and waterproofing applicator, concrete repair, and demolition. We are determined to explore different opportunities that requires our skills and be able to grow and improve in the coming years.

Dwibangun Perkasa mandiri, known for delivering excellence as both a contractor and applicator. With a strong foundation built on integrity, innovation, and quality, we specialize in providing comprehensive construction solutions tailored to meet the diverse needs of our clients.

As a full-service construction company, we are committed to executing projects with precision—from structural development and finishing works to specialized application services. Our team of experienced professionals, combined with cutting-edge technology and efficient project management, ensures that every project is completed on time, within budget, and to the highest standards.

With a proven track record across residential, commercial, and industrial sectors, Dwibangun Perkasa Mandiri stands ready to build the future—brick by brick, layer by layer.

OUR GOAL

Our vision is to become a leading and trusted construction company that delivers innovative, sustainable, and high-quality solutions. We aspire to be a key player in shaping modern infrastructure while upholding integrity, professionalism, and excellence in every aspect of our work.

Our mission is to provide construction services that meet the highest standards of safety, quality, and efficiency. We are committed to continuous innovation by integrating the latest technology and best practices in every project. We aim to build long-term partnerships with our clients through trust, transparency, and reliability, while contributing to the development of sustainable infrastructure for future generations.
