989-686-3457

John Szelogowski  
989-893-5769

Rich Brown  
989-843-7585

## **MEETING MINUTES**

Tom started the meeting on 1/6/2011 at 6:05pm at the Wirt library with 11 members present and one visitor (Denny Shorkey). Denny paid his dues and was voted in as a new member. Denny brings with him, much experience and many planes. We look forward to seeing him at the field!

Minutes from the previous meeting were accepted as printed in the December newsletter.

**Treasurer's Report** – The treasurer's report showed a balance of \$1354.14 in the checking account.

**Safety report** – Wayne presented a slide show of what can happen when a person gets distracted while testing a small electric. The picture was pretty graphic, but suffice it to say that a small sharp prop has the potential to inflict much damage & pain.

Wayne went on to talk about the differences between DSMJ and DSM2 as well as possible reasons that the DSM technology may be prone to lockouts.

**Web report** – Mitch has updated the webpage to make the login to the member's area easier. The new information has been sent to all the members.

**Board report** – The report was given by Peter which covered:

- The airplane contest is a fun way to involve the members. However, since there has been little involvement, it was questioned if it should continue. A motion was made to continue the monthly contest and was passed.
- Four club events will be planned for this year. A motion was made and was passed to accept these events. They will be listed in the newsletter and on the web page.
- Mark Wolcott has volunteered to roll and spray the field again this year. A motion was made to accept this and was passed.
- The grass cutting schedule this year will put the seasoned members first. Peter volunteered to mow the runway for training nights again this year. A motion was made to pay Peter \$5/mowing to offset his cost for gas which passed. An addition motion was made to exclude Peter from the mowing schedule which passed as well.

### **Old Business:**

- None

### **New Business:**

- The club by-laws were updated with all of the items that were talked about during the year and presented to the members. All changes were accepted. The new by-laws will soon be updated on the club website.

Meeting adjourned at 7:20pm

## Upcoming Club Events:

Pancake Breakfast at James Clements Airport - June 19th

## **AMA update on the potential FAA regulations:**

Your AMA leadership made yet another trip to the Washington DC offices of the FAA in late November. Negotiations, led by AMA Government Relations and Regulatory Affairs Representative Rich Hanson and AMA President Dave Mathewson, continue to focus on national airspace safety, model aircraft operations and potential regulations that may create serious restrictions on aeromodeling. Click the link below to read the latest report on this important issue. <http://www.modelaircraft.org/news/ama-faa.aspx>

Christmas party at Krysziaks.

## **Airplane Contest**

December's aircraft was none other than Santa with Dasher, and Dancer, Prancer and Vixen, Comet and Cupid and Donder and Blitzen pulling the sleigh of course.

Congratulations to the winner:

**Mike Massey!**

# Name That Airplane

- Airplane Contest Rules:  
• Only paid members of the Flying Eagles Inc. Radio Control Club are eligible to win. All entries must be emailed to [emkasper@speednetllc.com](mailto:emkasper@speednetllc.com) BEFORE the day before the meeting (before Wednesday). The winner will be drawn from all correct entries that have been received by that date and presented during the regular meeting (need not be present to win, even if you have won previously, you are still eligible to enter every month).
